Introduction

The starting point for this Audley family history narrative is that described as Pedigree “A” in Chapter 20 of the Audley Pedigrees by A. L. Reade. That document should be read in conjunction with this family history narrative that can be found in the ‘Published Information’ section of the Audley Family History Website, under the heading ‘Audley Pedigrees’.

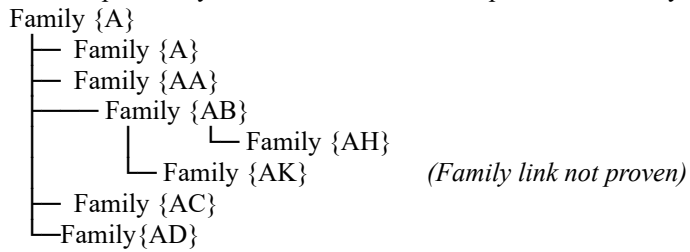

Whilst most of their known family history is spent in Liverpool, Lancashire, this branch of the Audley Family moved from Shotwick in Cheshire to Liverpool in Lancashire around 1800. Four Brothers left Shotwick in Cheshire around 1800 and moved to Liverpool in Lancashire. These four Brothers are the founding members of Audley Families ‘AA’, ‘AB’, ‘AC’ & ‘AD’. The Family ‘A’ narrative contains the information about the family while they were living in Cheshire.

It should be noted that while the family was living in both Shotwick & Neston, Cheshire, their surname was recorded as “Allday”.

Some family members are known to have emigrated to Canada.

(19th September 1890) aboard the “SS Parisian”, arriving in Montreal, Quebec, on the 27th September 1890. He sailed as part of a group of 18 children led by Miss M Malone as Matron. The group appears to have been known as Mrs Lacy’s party. Their destination is given as Kingston, Ontario, via the Grand Trunk Railway. The records of the House of Providence Orphanage indicate that he was adopted by a James Hyne of North Burgess, Newboro, Ontario. He was recorded as being of the sub district of Elmsley in the Province of Ontario, Canada, in 1891 (*as Robert Odley*) living with and adopted by a family with the name Hughes. The head of the household is a James Hughes a Farmer. (*It is speculated that the Jas Hyne and James Hughes are the same person*). (*Comment: However in his Attestation papers for the Canadian Forces gave his date of Birth as the 1st July 1890.*) He seems to have used this date of Birth from his Marriage onwards. Following the Death of his parents he emigrated to Canada as part of the ‘Home Children Scheme’. He sailed from Liverpool on the 18th September 1890, via Londonderry (19th September 1890) aboard the “SS Parisian” arriving in Montreal, Quebec, on the 27th September 1890. He sailed as part of a group of 18 Children led by a Miss M Malone as Matron. The group appears to have been known as Mrs. Lacy’s party. Their destination is given as Kingston, Ontario, travelling via the Grand Trunk Railway. Of the Province of Ontario, Canada, living in an Orphanage in Kingston City, in 1891 (*as James Audly*). By 1901 he had been adopted by and was living with a family with the surname Brown in Wolfe Island, Frontenac, Ontario, Canada. The records of the Sisters of Providence of St. Vincent de Paul Orphanage indicate that; James Audley stayed at the Orphanage for a year. Even though the name of the original Foster parents is not documented he was probably adopted or fostered out in September 1891, as he does not appear in the list “Inmates in Residence October 1st, 1891” in the Register of Orphans 1879-1912. It appears he was returned to the House of Providence Orphanage, Kingston, Ontario, in late 1895 or early 1896 and re-placed with a new Guardian (Mrs. P.J. Brown of Wolfe Island) in January 1896. (*Comment: In the 1911 Census of Canada the Census record notes that James was Born in March 1889 in England*) he was still living as a Farmer with his adopted family of Peter Brown, a Farmer and his Wife Annie, with their 2 Sons, who were all originally from Ireland, and living at Frontenac, Wolfe Island, Ontario, Canada. During World War 1 he is believed to have served as a Private in the Canadian Expeditionary Force, Service No #3080845, and sailed from Halifax on the “RMS. Saxonia”, and served after arriving in Liverpool on the 4th March 1918, in Brighton, England, Kinmel Park, Denbigh, Wales and also France and Belgium. His ‘Particulars of Recruit Record’ noted he was then on the 5th January 1918, in the Fourth Military District, Montreal, in the 1st Depot Battalion of the First Quebec Regiment, Service No #19217 DC, and medically described as Category ‘A’. He was reported wounded twice within a period of 26 days in the British War Office weekly publication of Casualties. Firstly he was reported wounded on 1st October 1918 in casualty list No 5687. Secondly he was reported wounded on 26th October 1918 in Casualty list number 5706. Wife of {AA208}	<p>IRENE ELLEN AUDLEY (nee KURBIS) June 29, 1927 - October 29, 2012 It is with heavy hearts that we announce that on Monday, October 29, 2012 Irene passed away with her family at her side. Irene was predeceased by her son Jimmy, brother Walter Kurbis and sister Helen Ostapchuk. Left to cherish her memory are her loving husband Cliff, of 63 years, her children: Greg Audley (Roberta), Lois Behlke (Hal), grandchildren, Dustin (Ashleigh), Greg, Alexis, Kristian, and great-grandchildren, Preston, Hannah, Austin and Logan. Also surviving are her sisters Ella Harlos and Marlene Schlippert (Arnie), brother-in-law Fred Ostapchuk and dearest friend of 65 years, Muriel Stoppel as well as numerous nieces and nephews. Irene was raised on a farm in Ashern, MB and moved to Winnipeg when she was 16. She worked at Eaton's Mail Order until she married Cliff, the love of her life, in July 1949. Irene supported Cliff as a partner/bookkeeper in running the family trucking business. She enjoyed doing hobbies such as sewing and needlepoint and did many hours of volunteer work especially for the seniors. One of her many accomplishments in life was being instrumental in organizing and running the Cross Golden Age Club, a senior's group at the Lutheran Church of the Cross, which she ran for 35 years. A few years back she received a Humanitarian award in recognition of her volunteer work. Her love of travel took her and Cliff to many parts of the world, but her favourite places were at home or the cottage in the Lac du Bonnet area where family and friends could drop by any time for a visit. When she was at the cottage she enjoyed her long walks and Happy Hours on the dock. Irene was devoted to her family and was always happiest when surrounded by her family and friends The family would like to thank the staff at Lion's Manor Personal Care for their amazing care and kindness. We would also like to thank her previous Home Care Nurse, Clark Gallagher, for his thoughtfulness and to the wonderful care he also provided. A memorial service will be held at the Lutheran Church of the Cross, 560 Arlington Street, Saturday, November 3 at 2:00 p.m. In lieu of flowers, donations may be made to a charity of your choice. "Mom, we love you and will always miss you, your unconditional love, your warm hugs, and your wonderful sense of humour</p>	Winnipeg Free Press Nov 01, 2012

{AA208}	CLIFFORD ALAN AUDLEY July 18, 1928 - December 6, 2012 It is with heavy hearts that we announce that on Thursday, December 6, 2012, Cliff passed away with family at his side. Cliff was predeceased only five weeks earlier by his loving wife Irene, of 63 years. He was also predeceased by his son Jimmy, brother Art, and sisters Beatrice and Lillian. Left to cherish his memory are his children: Greg Audley (Roberta), Lois Behlke (Hal), grandchildren, Dustin (Ashleigh), Greg, Alexis, Kristian and great-grandchildren, Preston, Hannah, Austin and Logan. Also surviving are his brothers-in-law, sisters-in-law and many nieces and nephews. Cliff was born and raised in Winnipeg. He learned about hard work at the age of 14 when he started working at the coal yards. He went on to work in the trucking industry and in 1967 he started up his own trucking company, Audley Cartage. Since that time he built his fleet up to almost 30 trucks until he retired in 1992. Cliff was very involved at his church. He sat on the church board for many years and the board for the Arms of the Cross. He also enjoyed helping Irene with the Cross Golden Age Club. Cliff enjoyed being Santa' for Assiniboia West C.C. for their Breakfast with Santa for many years. He also donned his skates and Santa suit and went out skating with hockey and ringette teams, handing out candy canes. Cliff loved to be involved with the children in the family. He was the one that quieted the baby that was crying with his singing, or crawling on his hands and knees playing with the toddlers. As the children grew he would be their biggest fan at their various sports games. Cliff and Irene loved to travel, but more than anything he loved his time at the cottage. He loved to snowmobile, go boating, garden, take long walks with Irene, pick blueberries and of course, having happy hour' with friends and family on their dock overlooking the lake. The family would like to thank the staff at Lion's Manor Personal Care for their amazing care and kindness. A memorial service will be held at the Lutheran Church of the Cross, 560 Arlington Street, Saturday, December 15 at 2:00 p.m. In lieu of flowers, donations may be made to a charity of your choice. Dad, we love you and will always miss you, your warm smile and big hugs	Winnipeg Free Press 11 December 1912
{AA210}	GREG AUDLEY After a long, courageous and well fought battle with cancer, Greg passed away with family at his side. Greg was predeceased by his parents Cliff and Irene Audley. Left to cherish his memory are his loving wife Roberta, sister Lois (Hal), children Dustin (Ashleigh), Alexis (Curt), Kristian, stepchildren Cory, Launa, Stephen (Meredith), grandchildren Preston, Logan, Owen, Hannah, Victoria and nephew Greg. Greg was a great son, brother, father and uncle. He was also a loving husband and a good friend. Greg will be fondly remembered for his love of life, kind heart and generosity for those he held dearly. He was always known to tell corny jokes that seemed to get more elaborate with each drink of his favourite beverage, tequila. Greg loved the outdoors and always looked forward to his annual fishing, hunting and Vegas trips with the boys. In the summer, Greg and Roberta would enjoy camping and fishing on Lake of the Woods and Lake of the Prairies. In the winter they were off to a hot destinations, many times seeing the world while cruisin. Many thanks to Dr. Butler, who Greg threatened to take off of his Christmas card list because he was always the bearer of bad news, and Drs. Gingrich and Czaykowski at CancerCare Manitoba and staff for their care and Dr. Goytan who gave Greg more time to work on his bucket list. A memorial service will take place on Tuesday, May 12, 2015 at 2:30 p.m. at Neil Bardal Funeral Centre, 3030 Notre Dame Avenue (across from Brookside Cemetery). Good Night My Love, you will always be missed.	Winnipeg Free Press May 09, 2015

1931 Census of England

The 1931 Census of England was taken 26th April 1931 but was destroyed during WWII

1939 Registers of England

The 1939 Register was created in 1939 for the issue of registration documents and ration books shortly after the commencement of World War 2. As it was produced after the start of the war it does not include people who were member of; conscripts and volunteered of the Armed Services. Additionally After World War 2 this register was used as the registration of people into the newly formed National Health Service. The register was 'updated' by the National Health Service until 1991 when the National Health Service Registration was computerised.

The updates made under the National Health Service typically include; changes of surname by Marriage, corrections to Christian names (for example changing initials to full names) and recording the Deaths of individuals listed in the register. No changes of address are recorded are the Births of new individuals are not recorded.

The records of individuals are either open or closed. Open records can be viewed by the public and Closed records cannot be viewed by the public.

Records are open if one of the following conditions applies:

- * The record is open if the person was born more than 100 years ago. This is the 100 year rule and means that progressively more records will be opened each year until they all become open in 2040.
- * The record is open if the person is deceased and the person's Death is recorded in the registers In theory this means that the record for anyone listed in the registers and Died before 1991 should be open. However not all deaths before 1991 were recorded in the register, and people who were in the Armed Forces in 1939 are not listed in the registers

Records that are not open are closed. However members of the public can make requests to the National Archive at Kew to open closed records. To do this they must be able to supply a copy of a Death Certificate and the National Archives must be able to relate this Death Certificate to a particular individual in the 1939 Registers. For example the Death Certificate has the address where the individual died and the 1939 Register has the address where the individual was living in 1939 so not all requests may be successful

Tag	Details
	<p>There are two sets of registers for the House of Providence Orphanage, Kingston, Ontario: The Register of Orphans, which documented all the orphans including Home Children under the Sisters care, and the Register of English Orphans, which documented only the British Home Children, and the names of their foster/adoptive parents. Records for Robert and James Audley are located in both registers.</p>
{AA16}	<p>Register of Orphans 1879-1912 Pages: 82-83 Heading: Register of the House of Providence Orphanage from September 30th 1889 to October 1st 1890 Name: Robert Audley Age: 10 Sex: M Nationality: England Religion: Roman Catholic Admission Date: September 8th 1890 Total number of days stay: 23 Received from: Other Countries <i>(In the archivist's understanding the 23 days is how many days they had been at the orphanage at the time this was written, not how many days they stayed in total at the orphanage)</i></p>

{AA167}	<p>It appears that James Audley stayed at the orphanage for a year. Even though the name of the original Foster Parents is not documented he was probably adopted or fostered out in September 1891, as he does not appear in the list "Inmates in Residence October. 1st 1891" in the Register of Orphans 1879-1912. It appears he was returned to the House of Providence Orphanage in late 1895 or early 1896 and re-placed with a new Guardian (Mrs. P.J. Brown of Wolfe Island) in January 1896</p>

Drafted to Military Canadian Service.
