Introduction

The starting point for this Audley family history narrative is that described as Pedigree “AD” in Chapter 20 of the Audley Pedigrees by A. L. Reade. That document should be read in conjunction with this family history narrative that can be found in the ‘Published Information’ section of the Audley Family History Website, under the heading ‘Audley Pedigrees’.

Whilst most of their known family history is spent in Liverpool, Lancashire, this branch of the Audley Family moved from Shotwick in Cheshire to Liverpool in Lancashire around 1800. Four Brothers left Shotwick in Cheshire around 1800 and moved to Liverpool in Lancashire. These four Brothers are the founding members of Audley Families ‘AA’, ‘AB’, ‘AC’ & ‘AD’. The Family ‘A’ narrative contains the information about the family while they were living in Cheshire.

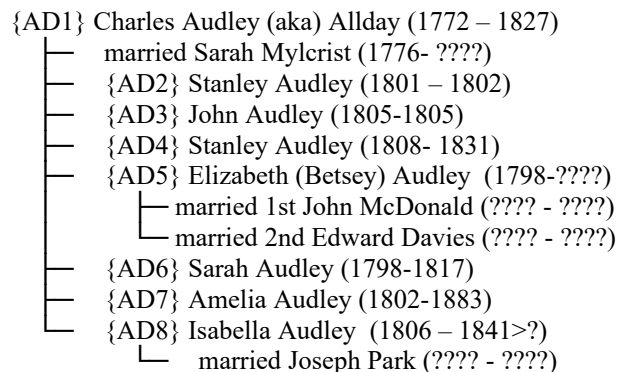

It should be noted that while the family was living in both Shotwick & Neston, Cheshire, their surname was recorded as “**Allday**”. Simple Family Tree (Relationship to other Audley families)

This simple family tree shows the relationship between Audley Families A; AA; AB; AC; AD; AH & AK

The former Joseph Park aged 10 was Baptised on the 11th October 1830, at St Peter's Church, Liverpool, he was the Son of Joseph (a Millwright) and Isabella Park of Scotland Road. The latter Charles Park his Birth was registered Q4 in 1839 (Mothers Maiden name Audley) Liverpool Vol 20 page 433.
