Introduction

This file contains the details of a number of Audley files that were resident in Birmingham and the surrounding areas. The following family is of particular note:

- The Audley family described as **Family 1 ‘Audley of Alrewas & Birmingham’** is based on the Audley family detailed in Chapter 8 of ‘Audley Pedigrees’. Please see that Chapter for more information on this family, in “Published Information” of www.audleyfamilyhistory.com

This family has been extended from that in ‘Audley Pedigrees’ in that at {B17} **Elizabeth Audley married John Jee**. The significance of this is that two of her Grand Children **John Audley Jee** (1778 – 1864) and **Mathew Jee** (1789 - 1867) moved to Liverpool. The earliest date that John Audley Jee is recorded as being in Liverpool is 1800. It is therefore concluded that he must have moved to Liverpool shortly before 1800. The earliest recorded date of **Mathew Jee** being in Liverpool is 1814. There is no evidence that any Member of the Audley family moved from Birmingham to Liverpool with either John Audley Jee or Mathew Jee.

- The Audley family described as **Family 14**, this family is by far the most prolific of all the Audley families located in the Birmingham area

All the other remaining Audley Families (2 to 13 inclusive) are either:

- Small branches of the Audley Family, which it is hoped that within time will become part of the above two Audley Families or
- Are other families, which through transcription errors appear to have used the Audley Surname during part of their history.

There are two possible marriages for the Marriage of {B20} Mary Audley, namely a Marriage on the 1st January 1693/4 at Lichfield Cathedral to THOMAS SAUNDERS. Unfortunately the parish record does not indicate the abode of the Bride and Groom. At the time of the marriage the bride would have been 18 years of age. The 2nd Marriage took place on the 5th November 1701 at Lichfield Cathedral to EDWARD NUTTHALL. This marriage record records the Brides Parish as Alrewas, which is where this family resided. The bride would have been 26 years of age at the time of this marriage. It is known that {B16} married at Lichfield Cathedral and therefore it is probable that {B20} also married there. It is unlikely that both the above marriages refer to {B20} as if {B20} had married twice her name should have recorded in the second marriage under the name of her 1st Husband. It is therefore concluded that she probably married EDWARD NUTTALL.

Treeford/Treaford Hall

GEORGIAN LITTLE BROMWICH

Three hamlets are shown on Tomlinson's map: along the northern edge of the fields (Ward End), about the Moat House and Farm (Alum Rock), and about the moated Treeford Hall. There seems never to have been a Hamlet called Little Bromwich, though in the C20th, the name has been appropriated by new districts. Ward End Hall is shown beside its moats, with the Chapel alongside (*see below*). South of Alum Rock Road and Cotterills Lane (*which ends at Green (Belchers) Lane*) there are only a dozen buildings. They include the un-named Balsall Cottage and Howlets Farm. The quadrilateral closes, average size 2-4 acres; have Marl Pits and ponds along their edges. Slade Field includes what is now Ward End Park, so we have there the only substantial piece of an open field still left unbuilt-on in the city: there is no vestige of the ridge-and-furrow pattern which existed until enclosure. It is probable that what are now parts of Alum Rock and Washwood Heath Roads began as north and south bounding tracks of the two fields: they were separated by a lost lane to the east of the modern Sladefield Road, which is traceable along strip headlands but not shown as a lane. No common waste survives in Little Bromwich, every bit of land other than the stripped fields being enclosed. 'Wall End Green' on the south bound, though enclosed, may have been the last piece of common to go. It is pleasant to record its return to public use as Belchers Lane recreation ground.

Identifiable buildings on the map, additional to those already named above include Stichford Hall (*in Castle Bromwich*) and Mill (*in Little Bromwich*), The Grange off the Turnpike or its predecessor, and an earlier house on the site of Ward End House opposite the Hall. There are only three large holdings of land in mid-C18th Little Bromwich. The Spooner (*Ward End*) Estate is 186 acres, and the Alum Rock Estate of the Brandwood heirs is 79 acres. At Treeford Hall, Robert Daffon, Farms 140 acres, the property of the Reverend Dr Audley. There are 36 other small landowners.

Click the map for a larger printable version.

Now look at the history of the area:

In 1262 Thomas de Bromwych sued Robert, Son of Henry de Bromwych for land in Little Bromwich, which Thomas claimed as Brother and Heir of Simon, Son of Roger, Son of Thomas, Son of Godwin Brother of Guy, who had held it in the time of Henry II. (fn. 76). This may have been the 3 Virgates in Bromwich held of Roger de Somery in 1291 by John de Bradwell as 1/10 Knight's fee. (fn. 77). This 1/10 fee was among the fees of John de Somery assigned in 1323 to his Sister, Joan, Widow of Thomas Botetourt, and then also held by a John de Bradwell. (fn. 78) It is possibly the Messuage and land in Little Bromwich and Bordesley held as 1/10 fee by John Brandwood in 1586, (fn. 79) whose namesake held land in Little Bromwich in 1512. (fn. 80) The estate apparently remained in the same family for in 1730 the Manor of LITTLE BROMWICH, later called ALUM ROCK, was the property of Elizabeth, Daughter and Heir of Richard Brandwood and Wife of Isaac Spooner. Elizabeth died without issue, (fn. 81) and the Manor apparently reverted to her Father's family, for in 1759, when it comprised about 80 acres, it belonged to a Mr. Brandwood (D. 1759 or 1760) (fn. 82) and between 1765 and 1778 to Elizabeth and Jane Brandwood, who were possibly Mr. Brandwood's Co-Heirs. Jane Brandwood alone was named as Lord of the Manor in 1784 and 1788. (fn. 83) Her successors as Lord of the Manor were William Ward (in 1797) and Robert Ward, a Surgeon of Birmingham (in 1807), (fn. 84) and in 1868 William Ward, named as one of the principal landowners in 1850, sold his estates known as Treaford Hall and Alum Rock, in which the manorial rights seem to have lapsed. (fn. 85) The manor house, however, which stood on the north side of Alum Rock Road west of its junction with Sladefield Road, (fn. 86) was by 1848 owned by W. Webb Essington and occupied by Isaac Marshall. (fn. 87) In 1911 the house, then known as the Moat House, became a convent of the (Anglican) Society of the Incarnation of the Eternal Son, which runs Boys' Orphanages, and was still so used in 1959. Several additions and alterations were made to the existing brick building, which appears to be an 18th-Century structure of the farmhouse type. A chapel was built in the garden in 1912. (fn. 88)

Detailed Narrative

Note: The earliest member of this branch of the Audley Family is {B58} William Audley he was Born 1794-1795 based on his age recorded on his Death registration. (*Comment: In the 1841 Census of England he is recorded as being 45 years of age. As the ages in the 1841 Census of England were rounded down to the nearest 5 years, the Census would suggest he was Born between 1791 and 1796.*) It should be noted that there is the Christening of a William Audley on the 23rd September 1795 at St Mathews Church, Walsall, Staffordshire, although this Christening has been attributed to {B77} {B77} William Audley was aged 60 when he was Buried in 1856, suggesting a Birth of 1795-1796. Aged 40 in the 1841 Census suggesting a Birth date between 1797 and 1801. Aged 56 in the 1851 Census suggesting a Birth date of 1794 - 1795. There is therefore some uncertainty as to whether the Christening attributed to {B77} and hence the ancestry of {B77} is correct.

- **Mark Audley**. Date of Burial on the 6th April 1794, at St Martin, Birmingham, Warwickshire, *Source: findmypast.co.uk . (From the National Burial Index)*
- **Mark Audley**. Date of Burial on the 25th October 1804, at St Philips, Birmingham, Warwickshire, *Source: findmypast.co.uk . (From the National Burial Index)*
- **Mark Anthony Audley**. Date of Burial on the 21st July 1833, aged 48, at St Philips, Birmingham, Warwickshire, *Source: findmypast.co.uk . (From the National Burial Index)*

The following section discussed who the above Burials could be related to:

Mark Audley. Date of Burial on the 6th April 1794

- The above Burial cannot be any of the people listed above as they were all living after 1794

Mark Audley. Date of Burial on the 25th October 1804, at St Philips, Birmingham, Warwickshire,

- Of the above people this Burial could only possibly be {B76} as all the rest were living after 1802
- There is no evidence to indicate that {B76} had a Son with the name of 'Mark', their other children were Christened in Walsall, Staffordshire.

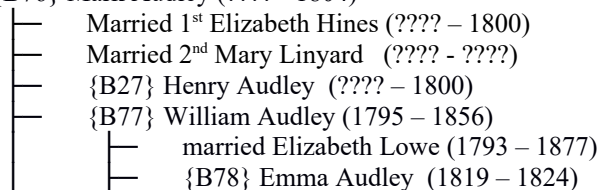

Mark Anthony Audley. Date of Burial on the 21st July 1833, aged 48, at St Philips, Birmingham,

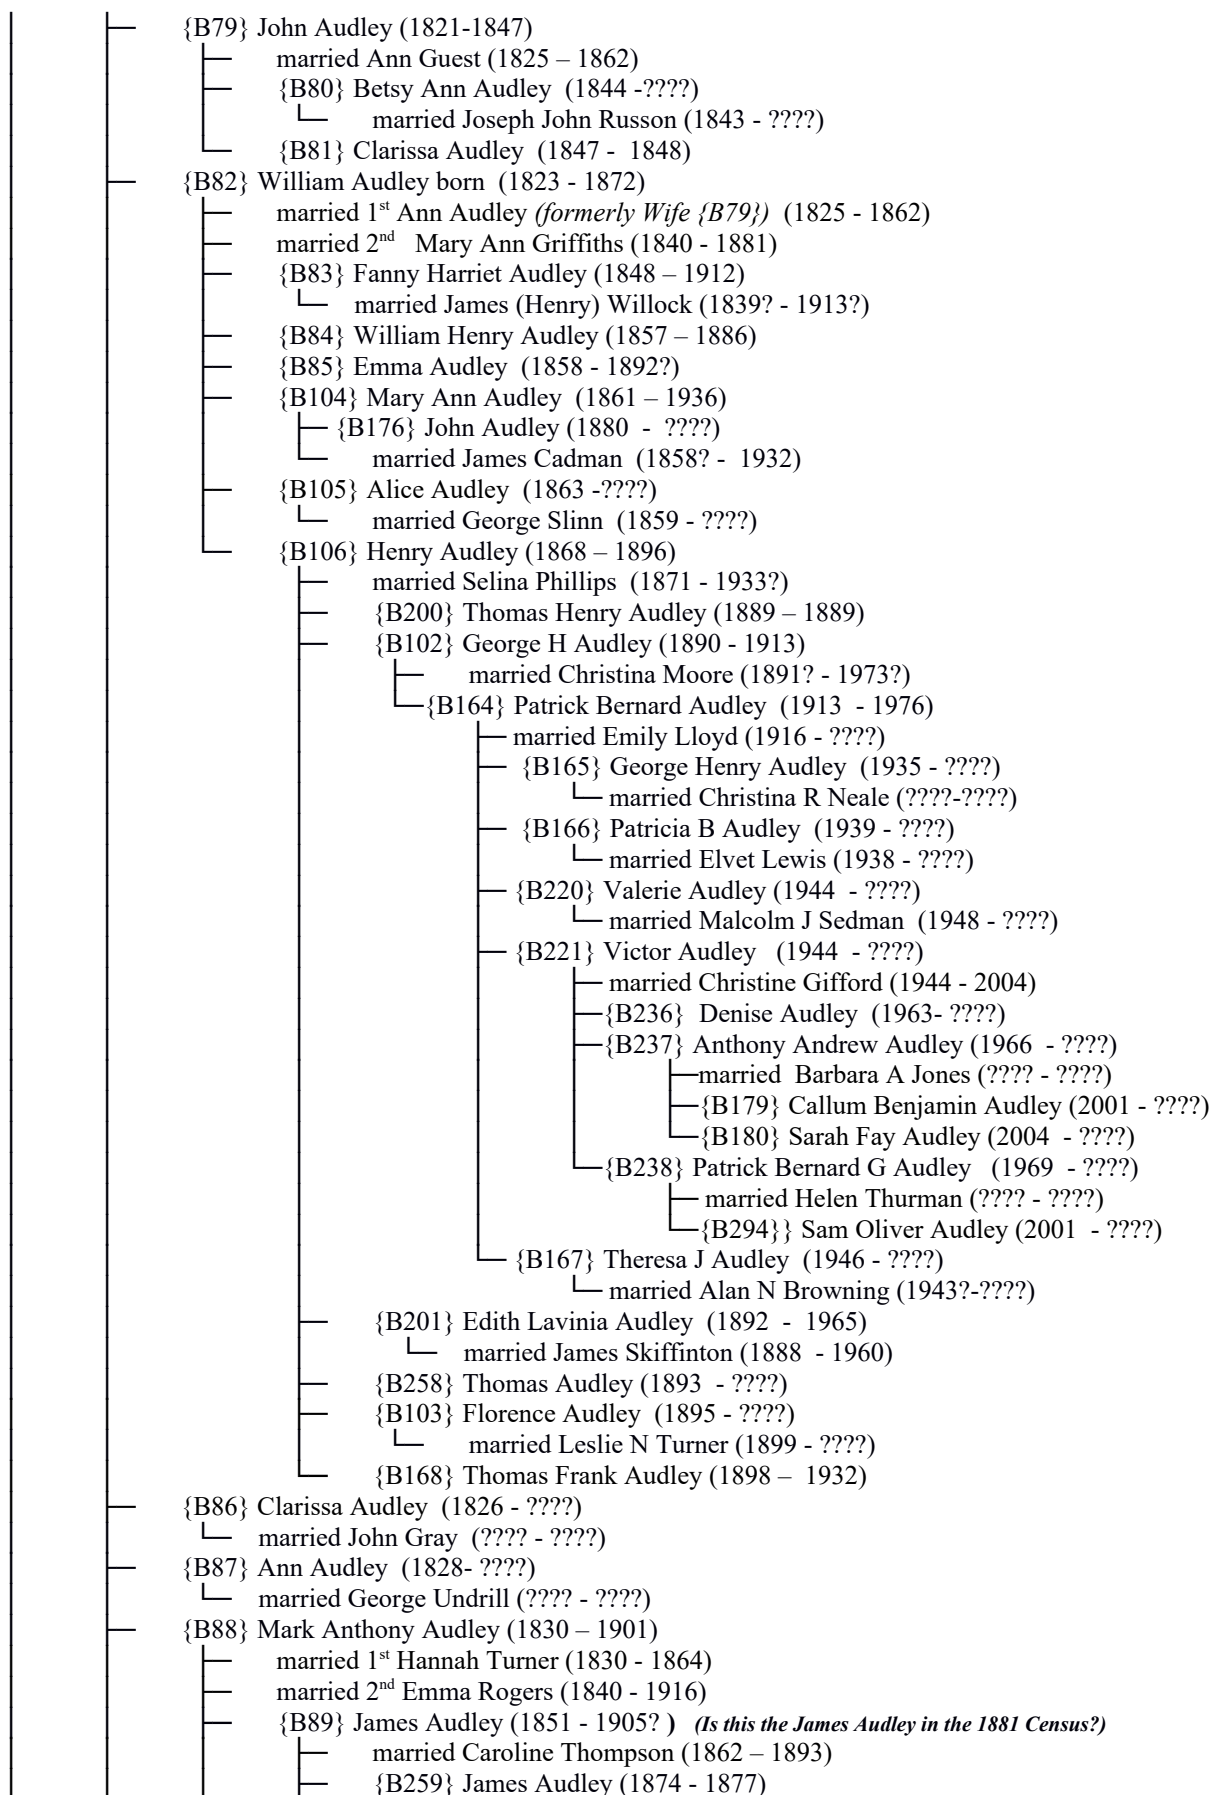

- This person would have been born 1784 to 1785
- This Burial could not be of {B76} as if it was {B76} he would only have been 8 years old at the time of his 1st Marriage in 1792.
- This Burial could be that of {B50} although there no indication that {B50} had a second forename of Anthony
- It is significant that {B88} was also called Mark Anthony. Although {B88} is only referred to as ' Mark Anthony' in his Christening record.

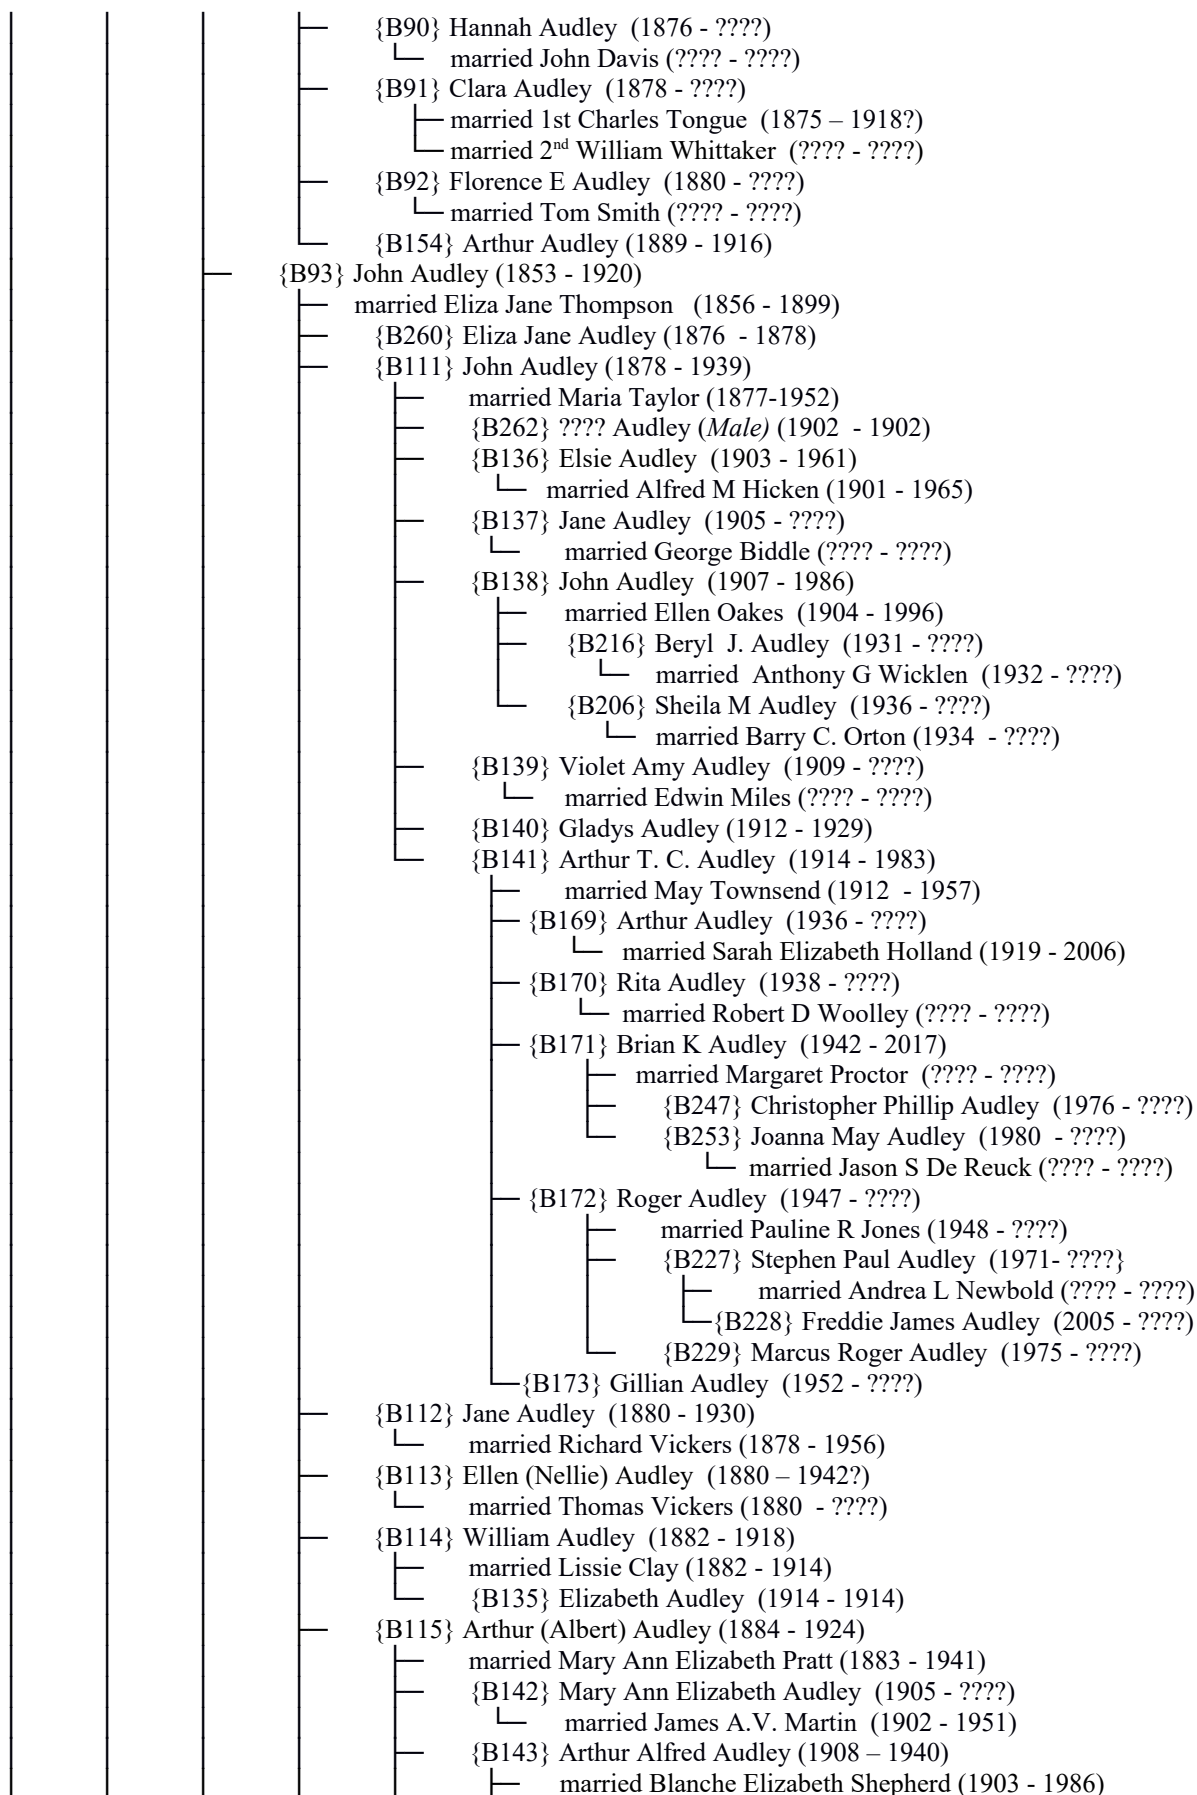

There is also an unconnected Death of a Jane Audley Q4 in 1842 aged 45 at Birmingham. If she was the Wife of the above Mark Anthony Audley she would have been 12 years younger than him. Also this Jane Audley has not been identified in the 1841 Census OF England.

He married 2nd to MARY LINYARD on 4th July 1802, In his second marriage Mark Audley is described as a Bachelor. (*Comment; see Marriage Signature Comparisons in the "Supporting Information"*)

They had issue: (*Comment: There are a number of possibilities in the various records for the Christening of Elizabeth Lowe .the Wife of {B77} William Audley. It has been concluded that the correct record is that Elizabeth Lowe Christened on the 12th June 1794 at St Martin, Birmingham; Father Edward Lowe; Mother Mary. The Parish Register also indicates that she was 18 months old when she was Christened. The evidence to support this theory is that Elizabeth had a Sister Sarah Lowe Christened on the 29th September 1791 at St Martin's Birmingham; Father Edward Lowe, Mother Mary. This Sister married George Coldwell on the 14th February 1817 at St Martin's Birmingham. Subsequent to their Marriage, George and Sarah Coldwell were the witnesses at the Marriage between Elizabeth Lowe and William Audley).*

Ann Audley died aged 40 and was Buried at St Martin's Birmingham on the 18th December 1862. At the time of her Death she was living at Essex Street Birmingham. She married Henry Willock, (*Date and location unknown*), and had issue. He was Christened on the 26th December 1839 at St Martin, Birmingham. (*Comment: There is inconsistency with this person's history, in that in the 1911 Census, she is described as a Widow, and yet the best reference for her Husband's Death Q1 in 1913.*) (*Death Q1 in 1913, of a Henry Willock aged 73, Birmingham 6d 225*). (*In the 1901 Census of England, her Husband is recorded as being James Willock.*)
- B {B84} **WILLIAM HENRY AUDLEY**. The Son of {B82} William Audley, by his First Wife. Born Q3 1854 at Birmingham, Christened on the 12th April 1857 at Saint Jude, Birmingham. Of Essex Street 4 Court, 7 House, Birmingham, in 1861. Of 43 Inge Street, Birmingham, a Whip Mount Maker, in 1871. Died Q2 in 1886, aged 31 at Birmingham. (*Comment: The Assay Office, Birmingham, have two Official Assay Marks registered to Henry Audley, Whip Moulder. One Assay Mark is confirmed and signed for by a Henry Audley, on the 18th May 1885; It is thought that this particular Assay Mark as it is different in design to the other Mark could refer to either this Henry Audley and or another Henry Audley. The other Assay Mark was confirmed on the 20th October 1890, in the Assay Office Records shows the same addresses {B94} Henry Audley lived and signed for as his Mark 'X', As this Henry Audley signed with an 'X' at his Marriage ceremony it is assumed this also was his Mark 'X' noted in the Assay Office Records.*)
- C {B85} **EMMA AUDLEY** The Daughter of {B82} William Audley by his First Wife. Born Q3 in 1858, Birmingham. Of Essex Street 4 Court 7 House, Birmingham in 1861. Of 43 Inge Street, Birmingham, a Scholar, in 1871.
- D {B104} **MARY ANN AUDLEY** The Daughter of {B82} William Audley by his First Wife. Born 1860-61 (*Based on the 1871 Census of England*), at Birmingham. Of 43 Inge Street, Birmingham, a Scholar, in 1871 (*as Mary Ann Audeley*). It is believed she was in Birmingham Workhouse at the time of the 1881 Census (*Based on the Baptism of her Son {B176} John Audley*) Of 1 House Court 44 Hospital Street, Birmingham in 1891, 1901 and 1911 (*as Mary Ann Cadman*). She married on the 1st June 1884 at the Parish Church of St Matthias, Birmingham to JAMES CADMAN, who was Born about 1857. They had issue. (*Comment: There is uncertainty as to the date of Birth of {B104} She does not appear in the 1861 Census of England. She is aged 10 in the 1871 Census, suggesting a Birth year of 1860-1861. She was aged 32 in the 1891 Census suggesting a Birth year of 1858-59. In 1901 she was aged 40 giving a Birth year of 1860-61. In 1911 she was aged 51 giving a Birth year of 1859-60. There therefore appears to be two options for her Death registration namely Q1 in 1932 aged 72 at Wolverhampton giving a Birth year of 1859-60 and also Q4 in 1936 aged 77, at Birmingham giving a Birth year of 1858-59. With regard to James Cadman, her Husband, he was in the 1891 Census aged 34 giving a Birth year of 1856-57; in the 1901 Census he was aged 43 giving a Birth year of 1857-58; in the 1911 Census he was aged 54 giving a Birth year of 1856-57. Thus there are the possible Death registrations for him namely; Q2 in 1932 aged 71, in Birmingham North giving a Birth year of 1860-61. It therefore seems likely that they both Died in the same registration district i.e James, Died Q2 in 1932 in Birmingham North, and Mary Ann, who Died Q4 in 1936 at Birmingham (Note: The name of registration district was changed in 1934)*)

- 1.) {B176} **JOHN AUDLEY** the Son of {B104} prior to her Marriage to James Cadman, and Born Q1 in 1880 in Birmingham (*as John Audley*) and Baptised on the 12th March 1880 at St Martin's Birmingham (*as John Audley*). In his Baptism record his abode is given as the Workhouse and his Mother is described as a single woman. Of 1 House Court 44 Hospital Street, Birmingham in 1891 (*as John Cadman*) and in 1901 (*as John Audley*) (*Baptism at St Martin's Birmingham on the 12th March 1880 Mother Mary Ann Audley abode Workhouse a Single Woman.*)

- E {B105} **ALICE AUDLEY** The Daughter of {B82} William Audley by his Second Wife. Born in 1863/64 at Birmingham. Of 43 Inge Street, Birmingham, a Scholar, in 1871. She married on the 20th December 1885, at St Paul's Birmingham, to GEORGE SLINN. At the time of their Marriage they were living at 26 Cox Street. (*Comment: The appears to be no Birth registration for {B105} Alice Audley as she is the first Child of {B82} William Audley by his Second Wife, her Birth may have been registered under the surname of her Mother.*)

- F {B106} **HENRY AUDLEY** The Son of {B82} William Audley by his 1st Wife, Born Q2 in 1868, at Birmingham. Of 43 Inge Street, Birmingham, in 1871. She was of Court 17, House 5, Frankfort Street, Birmingham (*as Selina Brown*) a Press Worker in 1901. She Married 2nd (*as Selina Audley*) Q3 in 1914, to Frank Brown in Birmingham. She was of 8/135 Camden Street, Birmingham, Warwickshire (*as Selina Brown*) in 1921. Henry and Selina had issue:
 - a) {B200} **THOMAS HENRY AUDLEY** born on the 31st August 1889, at Birmingham, and Christened on the 15th September 1889, at St Matthias, Birmingham. He Died Q3 in 1889 at Birmingham.

 - b) {B102} **GEORGE HENRY AUDLEY** born on the 11th September 1890 and Baptised in September 1890 at St Matthias Church. (Comment: In absence of documented proof, it is speculated that Patricia Audley the Wife of {B219} may have been Born on the 18th December 1944, and may have Died in July 1991, in Lambeth, London, from the GRO Death Registrations, and also may have been Cremated in Somerset, on the 31st July 1991, (Source: www.deceasedonline.com))

(The evidence for the above speculation is based on the following two facts

- *The person who died in Lambeth in 1991 was born 18th December 1944, which is close to the birth date of {B219}*
- *{B219} and his Wife had two children who were born in Bath. Bath is now part of the Unitary Authority of Bath and North East Somerset which ties in with the cremation in Somerset.*

There is nothing to confirm that the person who died in Lambeth is definitely the same person who was cremated in Somerset 110 miles away, however looking at the original GRO Index shows only one death registration for a Patricia Audley in 1991.

There are other people with the name Patricia Audley that we do not have a date of Death for namely; the Wife of {B202} but she was Born in 1935; and the 2ND Wife of {N70}.)

This would mean that she would have been Born in 1774-74 and would have been over 23 years old when she was Baptised and 45 years of age when she Married. There are the following three Burials; Mary Graty, Widow of Henry Graty, aged 40 in 1836, at St Philips, Birmingham, Warwickshire; abode Holloway Head; Henry Graty age 33, Buried on the 22nd September 1833 at St Paul's Birmingham. Abode Lionel Street; Henry, Son of Henry and Mary Graty, Buried on the 2nd September 1824, aged 11months, at St*

Philips Birmingham. Abode Ellis Street. These Parish Register Burials appear more appropriate than a Burial Registration from the GRO Index record of Q2 in 1858.)

1931 Census of England

The 1931 Census of England was taken 26th April 1931 but was destroyed during WWII

1939 Register of England

The 1939 Register was created as the WWII National Registration on the 29th September 1939

This document has been produced for display on www.audleyfamilyhistory.com. & www.audley.one-name.net Please feel free to distribute this document to others but please give credit to the website. This document should not be used for commercial gain

This document has been produced for display on www.audleyfamilyhistory.com. & www.audley.one-name.net Please feel free to distribute this document to others but please give credit to the website. This document should not be used for commercial gain

The 1939 Register was created in 1939 for the issue of registration documents and ration books shortly after the commencement of World War 2. As they were produced after the start of the war they do not include people who were member of; conscripted into and volunteered for the Armed Services. Additionally After World War 2 these registers were used as the registration of people into the newly formed National Health Service.

These registers were 'updated' by the National Health Service until 1991 when the National Health Service Registration was computerised.

The updates made under the National Health Service typically include; changes of surname by Marriage, corrections to Christian names (for example changing initials to full names) and recording the Deaths of individuals listed in the registers. No changes of address are recorded are the Births of new individuals are not recorded.

The records of individuals are either open or closed. Open records can be viewed by the public and Closed records cannot be viewed by the public.

Records are open if one of the following conditions applies:

- * The record is open if the person was born more than 100 years ago. This is the 100 year rule and means that progressively more records will be opened each year until they all become open in 2040.
- * The record is open if the person is deceased and the person's Death is recorded in the registers. In theory this means that the record for anyone listed in the registers and Died before 1991 should be open. However not all deaths before 1991 were recorded in the registers, and people who were in the Armed Forces in 1939 are not listed in the registers.

Records that are not open are closed. However members of the public can make requests to the National Archive at Kew to open closed records. To do this they must be able to supply a copy of a Death Certificate and the National Archives must be able to relate this Death Certificate to a particular individual in the 1939 Registers. For example the Death Certificate has the address where the individual died and the 1939 Registers have the address where the individual was living in 1939 so not all requests may be successful
