Origin of family prior to living in America

It is known from the early US Federal Censuses that this branch of the 'Audley Family' originated in County Roscommon, Ireland, and emigrated from Ireland to America. Unfortunately the US Federal Censuses only record the place of Birth of the members of this family as Ireland'

The basis for concluding that this family originated is as follows:

- {IR1} **John Audley** was admitted to 'Almshouse Hospital', Bellevue, New York on 29th January 1894. In his record of entry into the Almshouse his place of Birth is recorded as County Roscommon, Ireland.
- {IR2} **Eliza Audley** entered the home run by the 'Little Sisters of the Poor' in April 1900 and Died there in March 1901. The records of the organisation state that she was Born in Roscommon, Ireland.
- We know from each of the three Marriages of {IR3} **Frank (Francis) Audley** that the maiden name of his Mother and hence the Maiden name of the 1st Wife of {IR1} was Madden and her full name was Catherine Madden. From the US Federal Censuses we know that the birthplace of {IR3} Frank (Francis) Audley was somewhere in Ireland. There is recorded in the Parish Registers of Kiltreevan, County Roscommon, Ireland, a Christening of a Francis Audly (*sic*) on the 28th September 1850, Father John Audly and Mother Catherine Madden. It is believed that this is the Christening of {IR3} as it fits in with his age in the US Federal Censuses and his date of emigration. Information details discussed in **Appendix 2**.

Interestingly in the admission record to the Almshouse Hospital, Bellevue, New York the Father of {IR1} John Audley is recorded as being a Butcher. Whilst his Father's occupation is recorded his Father's name is not recorded.

Appendix 1 contains a list of references to the Audley surname in County Roscommon, these are probably related to this family but that link has not yet been proven.

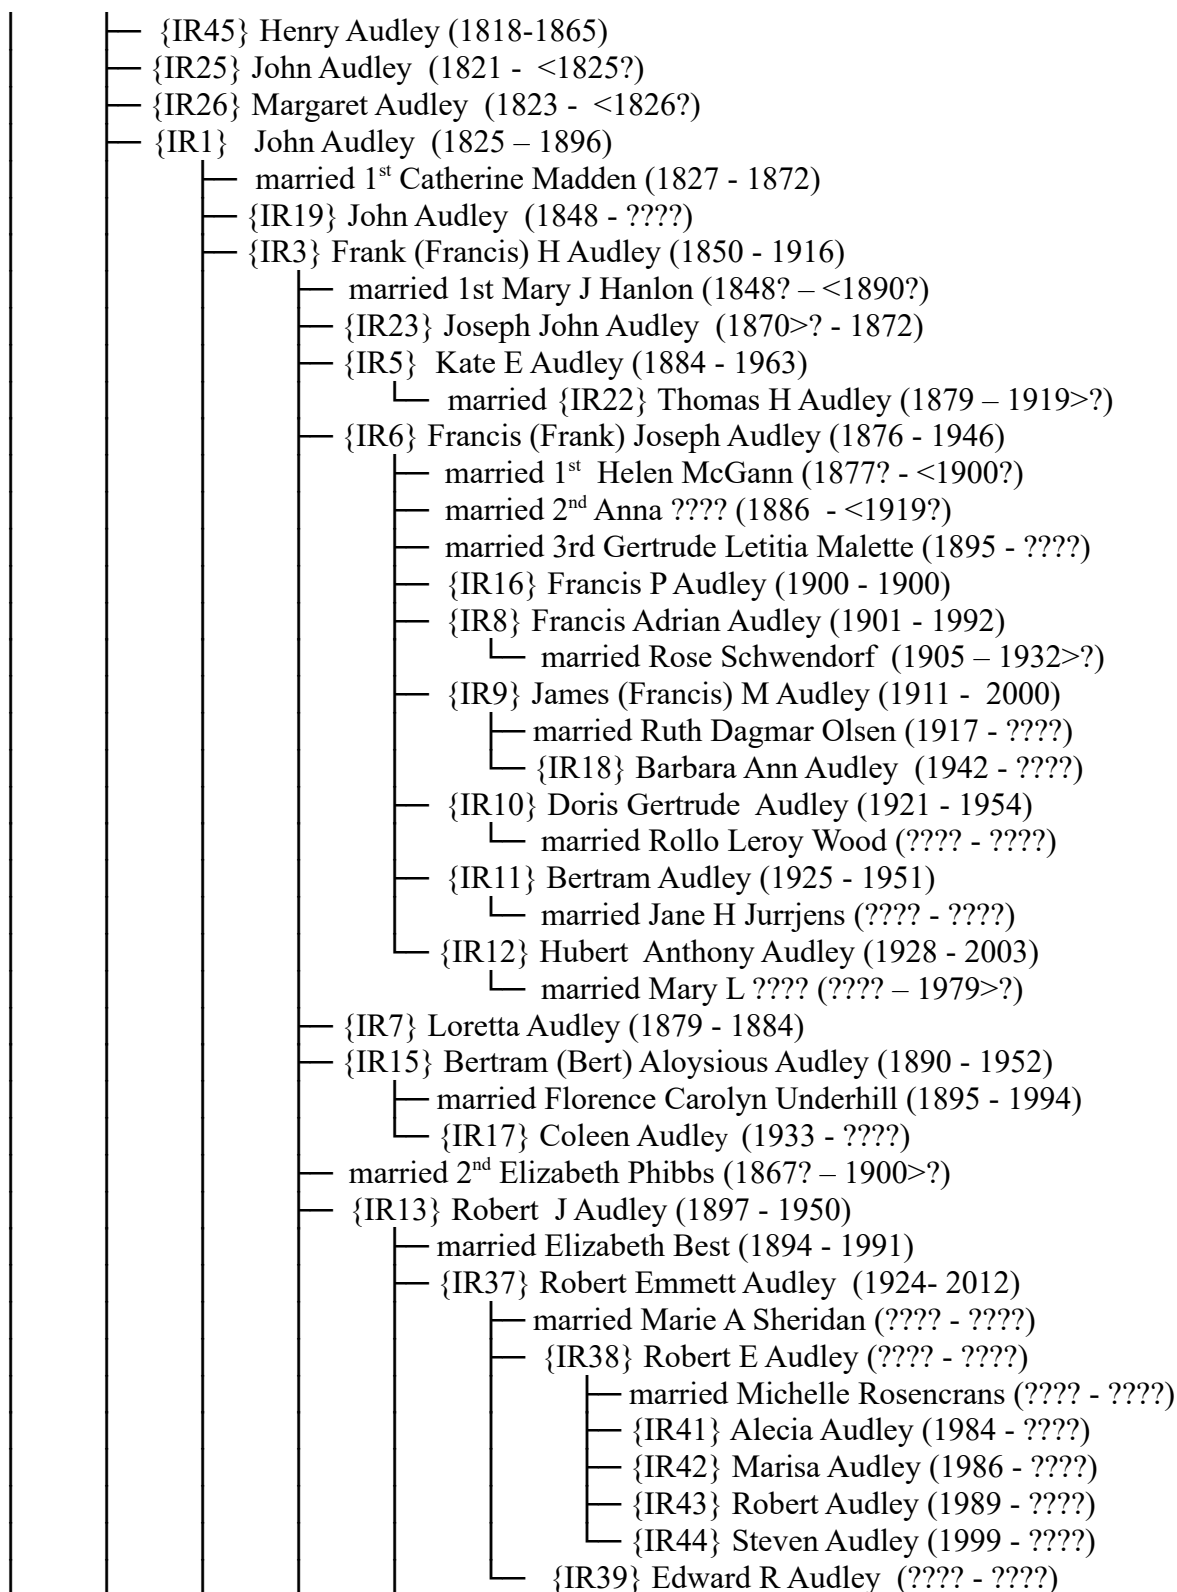

Simple Family Tree

(It should be noted that the relationship, between {IR20} Henry Audley & {IR28} John Audley is uncertain. It is based on the fact that {IR1} John Audley and {IR2} Eliza (Elizabeth) Audley were living at the same address in the 1860 US Federal Census. The closest relationship between them is Cousins and the family tree below is based on that assumption.)

- a.) {IR20} **HENRY ADLY/AUDELY/ AUDLEY** A Blacksmith, he Married Mary Bermingham, and had issue. It should be noted that three of their children {IR25}, {IR26} and {IR1} were all Baptised at the Roscommon and Kilyeevan R.C. Parish Church. The earliest surviving Baptism and Marriage Parish registers for this church commence in 1820 and this may account for why the marriage of {IR20} has not been identified.
- 1.) {IR45} **HENRY AUDLEY** The parentage of Henry Audley has not been identified and the information about him has been placed here as it is the most likely place he fits into this Audley Family. The only thing definitely known about him is that his Death was registered Q3 in 1865 and his date of death is recorded as the 1st September 1865, and his age at death was either 47 or 49 years (*depending upon the source*) of age when he Died an unmarried Bootmaker in Roscommon Workhouse. Currently the irishgenealogy website does not show an image of his death registration, so it is not known exactly where he Died. Based on his age at death it is likely that he was Born 1815 to 1818. This seems to be the most likely position for this person, with the eldest Son having the same forename as his Father and being born 3 to 4 years before the next son. His three proposed siblings {IR25}, {IR26} and {IR1} were all Baptised at Roscommon and Kiltteevan R.C. Parish Church. The earliest known surviving baptismal records for this parish commence in 1820, hence the Baptism of (IR45) would have been before this date.
 - 2.) {IR25} **JOHN AUDLEY** He was Baptised on the 7th March 1821 at Roscommon and Kiltteevan RC Parish Church. It is believed that he must have Died before the Birth of {IR1} John Audley in 1825.
 - 3.) {IR26} **MARGARET AUDLEY** She was Baptised on the 16th February 1823 at Roscommon and Kiltteevan RC. It is assumed that she must have Died before the Birth of {IR27} Margaret Audley in 1826
 - 4.) {IR1} **JOHN AUDLEY** He was Born in 1825 in Ireland (*Based on the 1860 US Federal Census*). He was Baptised on the 16th February 1825 at Roscommon & Kiltteevan RC Parish Church. He emigrated from Ireland arriving in America on the 7th October 1851, aboard the SS "Hibernia", which mainly carried 'Immigrants' between Dublin, Ireland, and Liverpool, England, and New York, USA. - A.) {IR19} **JOHN AUDLEY** The Son of {IR1} by his 1st Wife He was Christened on the 5th May 1848 at Kiltreevan, County Roscommon, Ireland. It is assumed that he Died prior to the family emigrating to America as he is not on the Passenger List when the family emigrated in October 1851.
- B.) {IR3} **FRANK (FRANCIS) H AUDLEY** Son of {IR1} by his 1st Wife He was Christened on the 28th September 1850, at Kiltreevan, County Roscommon, Ireland. In his lifetime he took out six USA Patents, details of these can be found on his Biography Page on this website. He Married 1st on the 9th October 1870 at Manhattan, New York to MARY JANE HANLON. She was the Daughter of Felix Hanlon and Mary Kelly. She was Born in 1847-48 (*Comment: Age based on their Marriage Certificate. Whereas in the 1870 US Federal Census it states she was 20 years old.*), and had issue. He Married 2nd on the 12th January 1896 at Manhattan, New York, to ELIZABETH PHIBBS. She was the Daughter of Thomas Phibbs and Margaret Quinn. She was Born in 1869 - 70 in Ireland (*Comment: Based on their Marriage Certificate, which also suggests he was fifteen years older than her, however their Marriage Certificate also appears to underestimate his age so there was probably twenty years difference in their ages*). He Married 3rd on the 29th April 1907 to CATHERINE REILLY, Born Catherine Fitzgerald, at St Patrick's 'Old Cathedral', Manhattan, New York. (*Comment: It would appear that the Birth name and the parents' names on their Marriage Certificate are incorrect. It is not known whether this was a deliberate act or a clerical error. The information on their marriage certificate is discussed in 'Appendix 2'.*)

(Comment: It should be noted that there were disputes over the accuracy of the 1870 US Federal Census of New York and therefore it was enumerated twice. In the first enumeration complete addresses were not recorded in the second enumeration complete addresses were recorded.

It should also be noted that between the two enumerations the electoral districts were changed. It should also be noted that this Census the 1870 US Federal Census was the first Census after the Civil War (1861 to 1865) and the end of slavery.)

*(Comment: It would appear that the tables above and below are the same family in the two enumerations of the 1870 US Federal Census of New York City, even though in the table below the surname has been transcribed as **Ardley**. If one looks at the original image the second letter of the surname is indistinct. It is not known where {IR4} Mary Ann Audley is in the first enumeration of the 1870 US Federal Census. {IR3} in the first enumeration is the at the bottom of a page it is possible that {IR4} Mary Ann Audley was missed of as the family was at the bottom of the page or that she is at the top of another page but out of logical order. Also {IR3} Francis Audley is not in the 2nd Enumeration Table below because it would appear that he had Married by the time of the second enumeration and is in a 1870 US Federal Census table later in this document.)*

1890 New York Police Department Census of New York City

(Comment: There were disputes between the US Federal Census organisers and the New York City Authorities, as the New York City Authorities claimed that the Federal Census under recorded the numbers of people living in New York City. As a result the New York City Authorities organised a second Census which was undertaken by the Police Department.

This is known as the 1890 New York Police Census of New York City. The 1890 US Federal Census was later totally destroyed in a fire.)

The 1890 Police Census of New York City was enumerated between 19th September and 14th October 1890

This change of name also occurs in the 1890 Police Census of New York City.

It would appear that a number of people in the above table are recorded twice in the 1900 US Federal Census, Suggesting that the head of the family listed all his family members rather than just those living with him.

Those recorded twice are as follows:

{IR5} Catherine Audley as in above table and {IR15} Kathryn Audley listed at 306, Willis Avenue see Census return below.

{IR15} Bertram Audley listed as John Audley in the above Census and {IR15} Bertram Audley listed at 306, Willis Avenue see Census return below.

In the above Marriage Certificate it is believed that the following information about the Bride is incorrect:

Her Maiden (Birth name) was not Magrath but was Fitzgerald

Her Birth place was not Stamford Connecticut USA but was Dungarvan, Co Waterford Ireland.

Her Father was not Phillip Magrath but John Fitzgerald.

Her Mother was not Mary Magrath but Mary Fitzgerald neé Bowe.

It is believed that she was Born Catherine Fitzgerald and was the Sister of Edward B Fitzgerald who married {IR4} Mary Ann Audley.

Extensive searches for a Catherine (Kate) Magrath; Philip Magrath and Mary Magrath have not identified these people.

The US 1910 Federal Census has

For 31 Hanrahan Street, Township of Stamford, Fairfield County, State of Connecticut, USA.

Francis H Audley, Head, Married three times, aged 56, born Ireland, both parents born Ireland
Year of Immigration 1845, naturalised occupation Proprietor Police Supplies

Kate M Audley, Wife, Married twice, aged 48, born Ireland, both parents born Ireland.
Year of immigration 1875.

It should be noted that on Familysearch website the surname is transcribed as Dudley when it is clearly should be Audley.

The above is clearly the same person as on the Marriage Certificate based on names (*including initials; number of marriages and family information about occupation of Francis H Audley*)

There is one difference between the 1910 US Federal Census and the 1st Marriage Certificate above, namely Kate M Audley's place of Birth is recorded as Ireland in the Census; but is recorded as Stamford, Connecticut, in Marriage Certificate.

The US 1900 Federal Census

The US 1900 Federal Census has:

East Greene Street (*Hanrahan Street is on the same page*), Stamford, Fairfield, Connecticut, USA

Thomas Reilly, Head, Born Dec 1856, aged 43, Married for 18 years, Born Ireland,
Both parents born Ireland, no date given for Immigration, a Saloon Keeper

Kate Reilly Wife, Born April 1860, aged 40, no children, Married for 18 years,
Born Ireland both parents born Ireland, No occupation.

The address for the 1900 US Federal Census almost matches the address on the 1910 US Federal Census and the above details for Kate Reilly match those for the Bride on the Marriage Certificate The main discrepancy is that her place of Birth is recorded as Ireland in the 1900 Census; and not Stamford Connecticut as recorded on the Marriage Certificate.

1930 US Federal Census

In the 1930 US Federal Census Kate Audley is living at 10 East 129 Street Manhattan, New York. She was a 'Roomer' (*presumably renting a room in a house*) aged 70, a Widow and it states she was Born in 'Ireland' and both her parents were born in 'Free State, Ireland', she had no occupation

The rest of the house was occupied by a Head, Wife two daughters and six 'Roomers'

1925 New York Census

In the 1925 Census of New York, Kate Audley was living at 101 West 88 Street Manhattan She was described as a 'Lodger' aged 60 born in Ireland and has no occupation.

Marriage record from Familysearch

8th August 1881 at Manhattan, New York, New York, USA

Thomas Reilly aged 25, born Wisconsin USA, Father William Reilly mother Catherine Nolan married, Kate Fitzgerald, aged 24, born Ireland, Father John Fitzgerald mother Mary Bowens

The date of this marriage fits in with the 18 years married from the 1900 US Federal Census

This marriage record mentions the surname Fitzgerald for the Bride's surname

This record indicates that the groom was Born in Wisconsin, USA, whereas with the 1900 US Federal Census records he was Born in Ireland

Kate Audley not found in other Censuses

We have without success attempted to find 'Kate Audley' in the:

- 1915 New York State Census
- 1920 US Federal Census
- 1940 US Federal Census

Cemetery Record (*Official Cemetery Record*)

This could be the same person as in the Cemetery Record but note different spelling of Surname and the Burial appears to be 1 month after the Death date and where does 'West Main Street' refer to?

Letters held by a Member of the Family

A member of the family, descended from the Fitzgerald line, has a number of letters from members of the Fitzgerald family to Kate Audley that indicate that she was Born a Fitzgerald. The most compelling of these letters is a postcard that was sent by Edward B Fitzgerald (*then living at South Hill Street, Los Angeles.*) dated 29th March 1910 to Mrs Kate Audley at Hanrahan Street, Stamford, Connecticut. The front of the postcard contains a photograph of Edward B Fitzgerald and underneath the image it is signed 'Yours truly Edward B Fitzgerald' and on the reverse is signed "your loving brother Ed B Fitz"

Military Records

Anthony Fitzgerald was the Brother of Edward B Fitzgerald and for part of his life was in the US Navy. (*Enlisted 30th May 1864 and Discharged 3rd May 1865.*) He spent some time in a Home for 'Disabled Volunteer Soldiers' from November/December 1893 to 11th April 1894. (*The records set being the U.S. Home for Disabled Volunteer Solders 1866-1938 entries 8100-9599*).

Anthony Fitzgerald's entry No 9045 states that the "Name and Address of Nearest Relative" is "Kate Reilly, Stamford Connecticut"

Conclusion

From all the above evidence it is concluded that the 3rd Wife of {IR3} Francis (Frank) H Audley, was Born Catherine (Kate) Fitzgerald and the information regarding her maiden name and parentage on their Marriage Certificate are incorrect, whether this was deliberate or a clerical error we may never know.
