Introduction

This file contains details about a number of Audley Families in West Galway in Ireland. The spelling of the surname appears to be flexible and The Audley spelling of the surname in the main appears to be interchangeable with Adley and other variant spellings. It should also be noted there are variant spellings of the geographic areas people lived in as well as variant spellings of Family names, and based on the differences between Official Records. Further, ages of people sometimes differ markedly between the Official Records noted.

Whilst this file contains numerous separate branches of the Audley Family the supporting information section of this document contains many references to Births, Marriages and Deaths that due to uncertain identification are yet to be linked to the written up family trees.

Surname: Is it Adley or Audley or Áiligh or Ó h-Adhlaigh

This section of this file seeks to:

- Demonstrate Adley and Audley are variants of the same surname
- Compile information from a number of sources that suggests that the Adley and Audley surnames as used in Galway is an Anglicisation of a Gaelic Surname.

The table below shows the number of Births, Marriages and Deaths recorded in the Civil Registration of Ireland from their start (1864 for Births & Deaths; 1845 for Marriages) to 1958, for four Registration Districts), namely Clifden, Galway, Oughterard and Tuam. These are the only registration districts in County Galway that contain these surnames.

Registration Districts						
	Clifden			Galway		
	Births	Marriages	Deaths	Births	Marriages	Deaths
Audley	4	4	4	16	9	10
Adley	15	1	14	22	0	4
Addley	0	1	4	1	2	1
Adly	6	2	1	2	0	2
Audly	0	0	0	2	0	0
Total	25	8	23	43	11	17

Registration Districts						
	Oughterard			Tuam		
	Births	Marriages	Deaths	Births	Marriages	Deaths
Audley	10	9	15	5	2	3
Adley	19	2	10	4	0	1
Addley	0	0	1	1	0	2
Adly	6	2	4	0	0	0
Audly	8	0	0	0	0	0
Total	43	13	30	10	2	6

Conclude that all the above surnames are variants of a common surname as they all appear in the same Registration Districts. We would suggest that the variation of spellings arises due to the majority of the population being illiterate, and the spelling of the surname depended upon the level of literacy of the Priest or the official recording the event. Signing the Official Records with their mark (X), in place of a hand written signature.

A similar variation of name spelling occurs in the County of Cheshire in England in the first half of the 19th Century. However in Cheshire the spelling crystallised as Aidley, whereas in Galway the surname became Audley.

Believe one Birth Certificate has been identified that demonstrates this link between the Adley and Audley surnames namely the Birth Certificate of {M64} Patrick Audley. According to his Birth Certificate he was Born on the 10th January 1935 the Son of Patrick Audley and his Wife, Julia Audley formerly Conneely (*actual spelling on Birth Certificate*). **The most significant item on this Birth Certificate is that the Birth was registered on the 5th March 1964 some 29 years after his actual Birth. Under the date that the Birth was registered has been written 'On authority of anClaraithoir (Registrar)'. Unfortunately this part of the statement cannot be read.

Additionally if one looks at the Irish Civil Registration of Births on a website such as FamilySearch.org there is the Birth registered of a Patrick Adley Q1 in 1935 in the Oughterard Registration District and the Mother's maiden name is given as Conneely (*actual spelling on the website*).

**Proposed that {M64} Patrick Audley was Born on the 10th January 1935, and his Birth was registered under the name of Patrick Adley, 29 years later when he needed a copy of his Birth Certificate either the error was identified and a correction made or more likely Patrick Audley could not find his Birth Certificate and therefore a new registration was made.

The above comment demonstrates that Adley and Audley are a single surname.

There are a number of sources that suggest that the Adley or Audley surnames are Anglisations of a Gaelic surname. These sources are as follows:

- "Tús Tuile", which records the memorials from Kiggaul Cemetery in Lettermullan.
- "All Ireland Surnames" Seán de Bhulbh, 2nd edition,
- "Irish Names and Surnames" by the Reverend Patrick Woulfe published 1922.

"Tús Tuile"

This publication which records the memorials from Kiggaul Cemetery on Lettermillan Island. It contains a photograph of {M64} as a Baby in his Mother's arms. Underneath the photograph is the following Irish text:-

*Siobhán Bn. Uí Áiligh (Jude Mháirtín Bheartlín, Uaigh 196) agus a mac
Pádraig, An t-Athair Pádraig Ó hÁiligh S.P. Carna.*

The memorial referred to in the above text (Memorial No 196) states:

IN MEMORY
OF
PAT AUDLEY
1894 – 1977
HIS WIFE
JULIA
1907 – 1944
R.I.P.

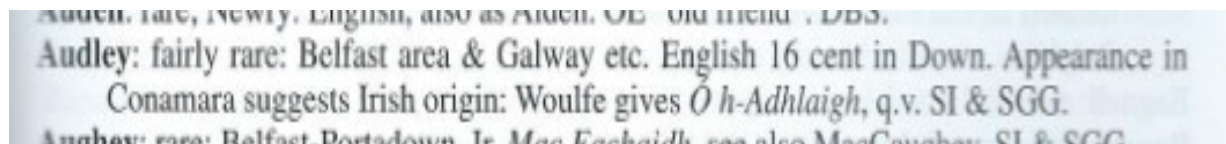

The combination of the Irish Text and the memorial would suggest that Áiligh is the Irish equivalent of Audley.
(Ref:- {M28} Pat Audley & Wife Julia.)

"All Ireland Surnames" Seán de Bhulbh, 2nd edition contains the following:

The above statement ignores the existence of the Audley surname in Counties Kilkenny, Waterford and Wexford. Believed the statement that the “appearance in Connemara suggests Irish origin” is significant. Cannot think of a reason why an English person with the Audley surname would emigrate from England to Connemara, which is reputed to be one of the poorest regions in Ireland in the period between 1700 to 1900. The reference to Woulfe is not strictly accurate (*see next section*)

“Irish Names and Surnames”

“Irish Names and Surnames” by the Reverend Patrick Woulfe published in 1922 contains the following:

Conclusion

Believe the above demonstrates that Adley and Audley are a single surname and it is likely that the Adley and Audley surnames are anglicisations of an Irish surname probably Áiligh or Ó h-Adhlaigh or possibly both. The only thing against this argument is that having searched a number of family history websites for Áiligh and Ó h-Adhlaigh has no results.

Family Trees

This file contains information about a number of Audley Families in the Western part of County Galway, Ireland known as Connemara. As this is quite a wide geographical area and there are currently a number of unconnected families these families have been grouped into a number of smaller Geographical areas as follows:

- A. The extreme West of Connemara. This is the area around Clifden, Roundstone, and Rossadillisk.
- B. The Ceantar na nOilean Islands. A group of Islands 40km to the West of Galway Town. Consists of the Islands of Dinish, Furnish, Lettermullan, Inisherk, Crappagh, Gorumna and Lettermore. These places are in the Roman Catholic Parish of Carrarroe.
- C. Area to the South West of Lough Corrib. This includes places such as Oughterard, Wormhole, Molycullen, Park and Knockaurranny
- D. Area to the North East of Lough Corrib. The area around Headford
- E. Galway City. Families whose only information is that they were Born in the Galway Registration District are contained in this group

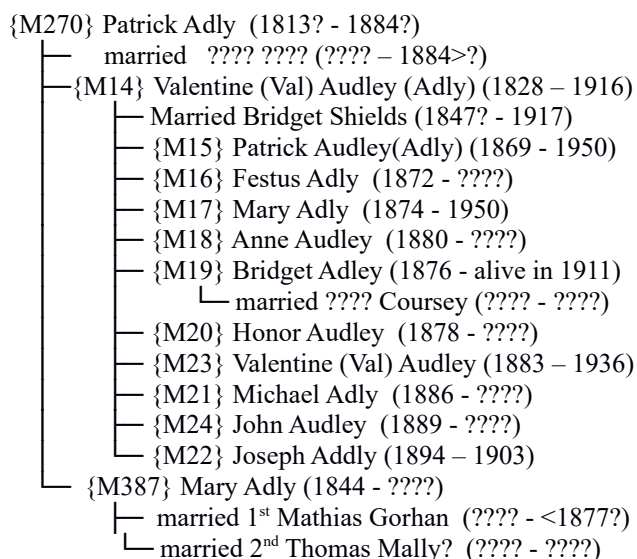

It is intended that each family is placed in one of the above areas based on its earliest record of origin. This will make it easier to join related families together. It should be noted that as more information is obtained about each family may necessitate it being reallocated to a different group.

Family (MA) Trees from the Extreme West of Connemara

Family MA1 of Murvey Roundstone, Ireland

(Comment: This family is based on the family that is recorded as living in Murvey, Roundstone, in both the National Archives 1901 & 1911 Censuses of Ireland. The number of children (including those without names) is based upon their returns for the 1911 Census of Ireland.)

{M270} **PATRICK ADLY/ADLEY** A Farmer, He was Born 1813, based on his age at Death. He Died on the 14th January 1884 , aged 70. at Murvey, Roundstone, County Galway. He married ??? ???? and had issue

A.) {M14} **VALENTINE (VAL) AUDLEY (ADLY)** born 1827/28, *(from Death record)*, 1836/7, *(from 1911 Census of Ireland)*, 1840/1, *(from 1901 Census of Ireland)* in Galway. Of House 18, in Murvey, Roundstone, Galway in 1901. Of House 15, in Murvey, Roundstone, Galway, in 1911. Died on the 24th May 1916 a Farmer, at Murvey, Roundstone, County Galway, Ireland, aged 88 years *(as Val Adley.)*. The informant of his Death was his Daughter {M17} Mary Adley. He Married *(as Valentine Adly)* on the 15th December 1868, to BRIDGET SHIELDS, in Clifden Registration District, County Galway, Ireland.. *(Comment: In the IGI Marriage Record, their ages on Marriage were, Valentine Audley 28 years, and Bridget Shields as 18 years.)*. It is believed that She Died on the 10th November 1917 Widow of a Farmer at Murvey, aged 70 years. The Informant was her Daughter Bridget (X) Coursey, present at Death, and had issue:

- 1 {M15} **PATRICK AUDLEY (ADLY)** born on the 9th December 1869, at Murvey, Roundstone, Galway, Ireland.
He Died aged 81 years, a Bachelor at Murvey on the 15th April 1950. *(Comment: The informant of his Death is recorded as Stephen Conneely Cousin. It has not been possible to identify this Cousin.)*
- 2 {M16} **FESTUS ADLY** born on the 11th January 1872, at Murvey, Roundstone, Galway, Ireland *(as Festus Adly)* He emigrated from Queenstown Ireland aboard "RMS Ivernia" arriving in New York on the 21st May 1900 *(Comment: in the Passenger List it gives his last place of residence as 'Kenndotone'. However cannot find such a place in Ireland.)*
- 3 {M17} **MARY ADLY** born on the 17th March 1874 *(as Mary Adly)* at Murvey, Roundstone, County Galway, Ireland. Born 1881-82 *(from Emigration records)*
(Comment: There is a Mary Audley, who emigrated from Queenstown, Ireland, aboard the "RMS Lucania" with her Sister Annie Audley, possibly {M18} arriving on the 25th April 1908 in New York,

USA. On the ships passenger list she gives as her destination as Sister, Mrs King, 1712 Fifth Avenue, Brooklyn. On the passenger list she records her last abode in Ireland as Roundstone, County Galway. But the passenger list records her as being 26 years of age, whereas {M17} would have been 34 years of age. There is no documentary evidence linking her to this family other than she gives her last place of residence as Roundstone, County Galway in the Emigration Records. There are a number of possible Birth Registrations that might be this person as follows: Q1 in 1881 at Galway; Q4 in 1881 at Clifden, and Q3 in 1882 at Clifden. If this Mary is linked to this family there should be a record of her in the 1901 Census of Ireland.)

(Comment: There is the Death of a Mary Audley at Roundstone on the 10th September 1950, with an age at Death recorded as 75. This would mean that she would have been Born between the 11th September 1874 and 10th September 1875. This range is close to but does not include her recorded date of Birth. In this Death registration she is described as single and the informant of her death is recorded as Maureen Conneely, Cousin. It has not been possible to identify this cousin nor has it been possible to identify {M17} in either the 1901 or the 1911 Censuses of Ireland.)(See also comment under {M15} above.)

4. {M18} **ANNE AUDLEY** born on the 22nd February 1880 at Murvey Roundstone, County Galway, Ireland [*Born in 1881-82 from Emigration Records*] She emigrated from Queenstown, Ireland, aboard the "RMS Umbria" arriving in New York USA on the 21st May 1889. There is no documentary evidence linking her to this family other than she gives her last place of residence as Roundstone in the emigration records. There is also an Annie Audley born 1884-85 (*from Emigration Records*). She emigrated from Queenstown aboard the "RMS Lucania" with her Sister {M17} Mary Audley arriving on the 25th April 1908 in New York USA. (*Comment: Port of New York, Ellis Island Passenger Records notes her age as 23 years, which could mean Born 1885!>*) see also comments after {M17}
 5. {M19} **BRIDGET ADLEY** born on the 1st May 1876 at Murvey, Roundstone, County Galway, Ireland. It is believed that she married ??? COURSEY as she was the informant of the Death of her Mother, the Wife of {M14}, and is described as Bridget Coursey, Daughter. It should be noted that she signed the Death Registration with an (X). No record has been found for her marriage.
 5. {M20} **HONOR AUDLEY** born on the 1st April 1878 at Murvey, Roundstone, County Galway, Ireland. Of House 18 in Murvey, Roundstone, Galway in 1901
 6. {M23} **VAL OR VALENTINE AUDLEY** born on the 20th April 1883 (*as Valentine Adley*) at Murvey, Roundstone, County Galway, Ireland. Of House 18, in Murvey, Roundstone, Galway, in 1901. Of House 15, in Murvey, Roundstone, Galway, in 1911. Died on the 5th April 1936 at Murvey, Roundstone, County Galway, Ireland aged 47 (*as Valentine Addley*). His Sister {M17} Mary was the informant of his Death.
 7. {M21} **MICHAEL ADLY** born on the 17th April 1886, at Murvey, Roundstone, County Galway, Ireland. Of House 18, in Murvey, Roundstone, Galway, in 1901. It is likely that he is the Michael Audley (*Born 1887-88*) who emigrated from Queenstown, Ireland, aboard the "RMS Campania" arriving in New York, USA, on the 21st May 1910. (*Comment: Port of New York, Ellis Island Passenger Records notes his age as 22 years, which could mean Born 1888!>*)
 8. {M24} **JOHN AUDLEY** born on the 14th September 1889 at Murvey, Roundstone, County Galway, Ireland. Of House 18, in Murvey, Roundstone, Galway, in 1901. Of House 15, in Murvey, Roundstone, Galway, in 1911.
 9. {M22} **JOSEPH ADDLY** born on the 10th May 1894 (*as Joseph Addly*) at Murvey, Roundstone, County Galway Ireland. Of House 18, in Murvey, Roundstone, Galway, in 1901, (*as Jocie Audley*). He died (*as Joseph Addly*) 29th April 1903 at Murvey, Roundstone, County Galway, Ireland.
- B.) {M387} **MARY ADLY** she was Born about 1844, (*Based on her age on her Marriage Certificate*). She married 11th April 1870 at the Roman Catholic Chapel of Roundstone to MATHIAS GORHAN. Could she be the person who married as Mary Audley (*Father recorded as Patrick Audley*), a Widow, who married 23rd August 1877 at the Roman Catholic Chapel of Roundstone to THOMAS MALLY (*The record would suggest that she Married for a second time using her Birth surname rather than her surname following her second marriage*).

 - {M183} William Thomas Audley (1881 - 1904)
 - {M94} Mary Audley (1882 – 1916)
 - {M184} Isabella Audley (1884 - 1970)
 - Married 1st Frank Barton (1883 - ????)
 - Married 2nd Frederick William L Grace (1878 - 1970)

{M390} **THOMAS AUDLEY** and married ????. The details of his life are so far unknown other than; he is recorded on the Marriage Certificate of his Son {M93} as his Father and a Farmer.

- A. {M93} **THOMAS AUDLEY**, born in 1854?. (*Based on his age on his Marriage Certificate.*) He is described in the Birth Registrations of his Children as a Sub Constable and a Constable in the Royal Irish Constabulary He Died prior to 1888, his place of Death is unknown. He married SARAH ELIZABETH NOONE on the 21st October 1880 at ??? in the Parish of Ballynakill in Clifden Registration District, County Galway. At the time of their Marriage both are described as ‘of Letterfrack’ and He is described as a Sub Constable in the Royal Irish Constabulary. .Elizabeth was of 2, South Square, Thornton, Bradford, Yorkshire, England in 1901. She was also of 15, New Board Side, Thornton, Bradford, Yorkshire, England in 1911. Of 325, New Road, Thornton, North Bierley, Yorkshire, in 1921. She Died Q1 in 1934 aged 82 at Bradford, England. They had issue.
(Comment: It is clear that in 1880 Thomas Audley and his Wife were living at Letterfrack, County Galway from their Marriage Certificate. The Birth of two of their children, the first and third were Born and their births registered in Clonmel, County Tipperary. With regard to their second child she was Born in August 1882 but her birth was not registered until September 1888 in Letterfrack in County Galway. Due to the late registration it is not possible to be sure whether she was born in Clonmel, County Tipperary or Letterfrack, County Galway. It is therefore uncertain as to whether the family moved back and forth between Clonmel and Letterfrack or could the Wife’s parents be living in Clonmel and she went back to her parents’ house in Clonmel for the Birth of her Children.)
(Comment: The late Birth Registration of {M94} states that her Father was Dead. It is assumed that this means that the father was dead in 1888 and was not dead in 1882. If the Father had been dead in 1882 this would have had significant implication for the father of {M184} who was born in 1884.
(Comment: In the Birth Registration of their Son {M183} William, Thomas her Maiden name is spelt ‘Noon’.)

1. {M183} **WILLIAM THOMAS AUDLEY** born on the 7th May 1881 at Main Street, District Clonmel County Tipperary Of 2, South Square, Thornton, Bradford, Yorkshire, England in 1901, a Gardener. It should be noted that in the 1901 census of England he gives his place of Birth as Galway, Ireland..He Died Q2 in 1904 at North Bierly, Yorkshire England.
2. {M94} **MARY AUDLEY** born on the 7th August 1882, at Letterfrack Clifden, County Galway, Ireland. She was of 2, South Square, Thornton, Bradford, Yorkshire, England in 1901, a Shop Assistant. She was of 15, New Board Side, Thornton, Bradford, Yorkshire, England in 1911, a Shop Assistant. She Died Q2 in 1916, aged 33 at North Bierley, Yorkshire.
(Comment: It should be noted that although she was Born in 1882 her birth was not registered until 28th September 1888, and a note stated 'Registered on the Authority of the Register General. It also states that her Father is Dead. It is therefore presumed that her father was dead in 1888 and not 1882, due to the possible implications on the parentage of {M184}. Whilst her place of birth is recorded as Letterfrack, Clifden Registration District, County Galway, could this be the place she was living when her birth was registered in 1888 and she was actually born like her two siblings.)
3. {M184} **ISABELLA AUDLEY** born on the 11th March 1884, at Blind Street, Ireland, District Clonmel County Tipperary She was of 2, South Square, Thornton, Bradford, Yorkshire, England in 1901 a Dress Maker. Family (MB) Trees from the Ceantar na nOilean Islands

The Ceantar na nOilean Islands are a group of Islands approximately 40 Km to the West of Galway City. The group consists of several islands some of which are connected by bridges and causeways.

The islands include Lettermore, Gorumna, Lettermullan, Furnish, Dinish, Inisherk and Crappagh.

For Civil Registration of Births, Marriages and Deaths for these islands are in the Lettermore Sub District of the Oughterard Registration District. All these Islands are in the Roman Catholic Parish of Carraroe.

It is unlikely that we will be able to trace this section of the Audley Family of Galway to a period before 1845 for the following reasons

- Civil Registration of Births & Deaths in Ireland did not commence until 1864
- Civil Registration of Marriages in Ireland did not commence until 1845.
- The Parish Registers of the Roman Catholic Parish of Carraroe commenced in 1853 and there were no Deaths/Burials recorded for the period from 1853 to at least 1900.

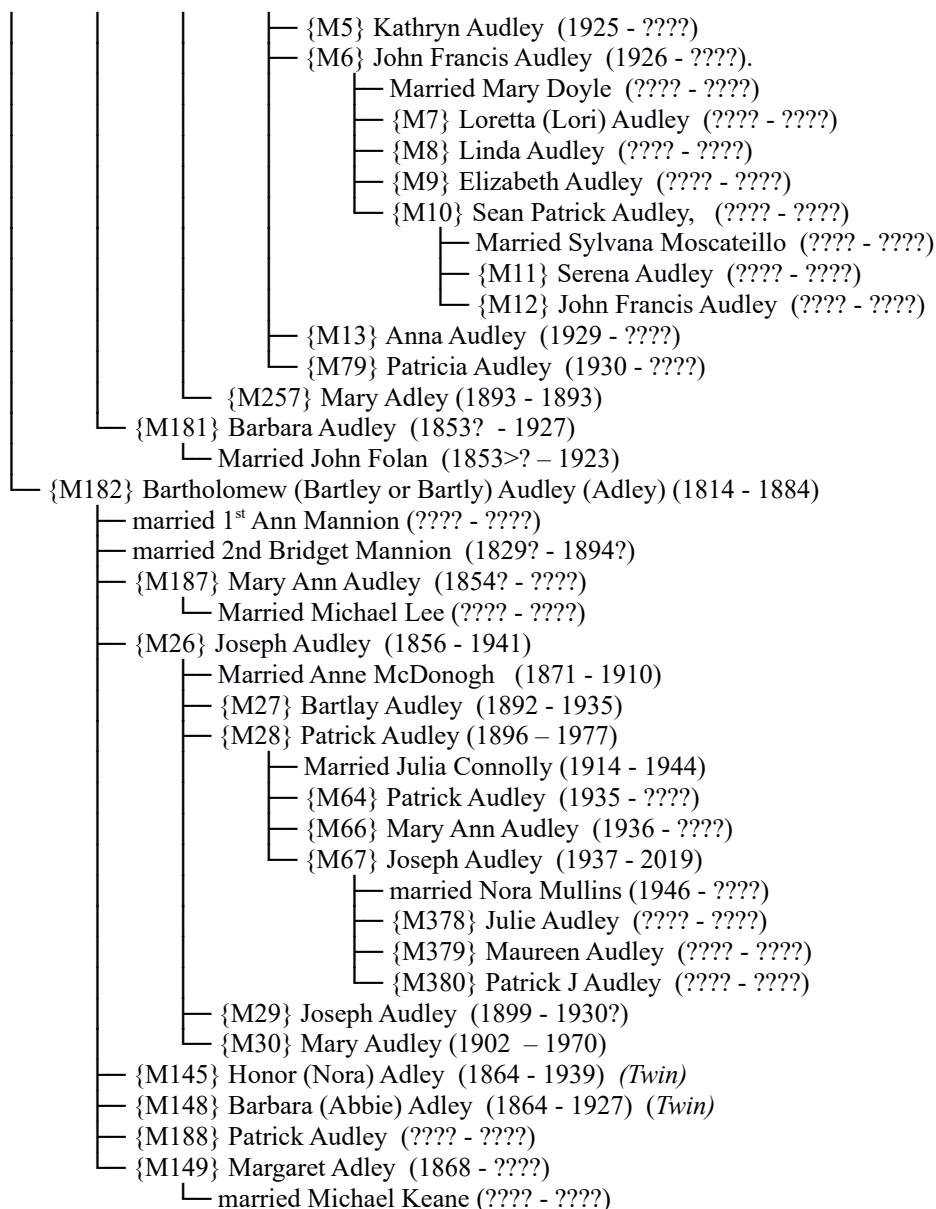

However the Tithe Applotment Books, written in 1828 suggests that two people with the surname Audley were assessed for paying Tithes at four locations in the Dinish, Furnish & Lettermullan Islands See the 'Tithe Applotment Books' in the 'Supporting Information' section of this file.

It should be noted that the website www.audleyfamilyhistory.com includes a file containing a number of maps of Galway, showing the places where all branches of the Audley family in Galway lived. (*See Family Trees, "Family M".*)

(Comment: There is a Nora Audley working and living in a Hotel in Beach or Black Street, Boston, Massachusetts in both the 1910 and 1920 US Federal Censuses (See supporting information). It seems logical that the person who is recorded in these Censuses is {M145} as there are other members of her family living in Boston, Massachusetts. The problem is that her recorded ages do not match her date of Birth by a large margin.)
- E. {M188} **PATRICK AUDLEY** (*Existence from family knowledge.*)

(*Comment: There are the following possible links between this branch of the 'Audley Family of Galway' and other branches of the Audley Family contained in this file.*)

- The Christian name **Martin** is used in various generations of **Family MB2**. This suggests that there may be links within **Family MB2**. Namely that {M89} Martin Audley above could be the Father of {M96} Colman Audley. The Birth Certificate of Coleman Audley would prove or disprove of this relationship.
- It should be noted that in both **Family MC2 & MB1** the Christian Name Julia is used

She died aged 54 on the 4th January 1895 and was Buried at Calvary Cemetery, South Portland, Maine. They had issue. . (*Comment: There is inconsistency in his age when he Died, as on arrival in the USA he was aged 50 in 1884, so he could not have been 50 when he Died 6 years later after arriving in the USA. - See 'Supporting Evidence'.*)

- A.) {M144} **ELLEN ADLEY** Baptism at Lettermullen & Carraroe on the 6th October 1856. She died aged 54 on the 5th June 1892, as Margaret Flaherty the Wife of Bartley C

Flaherty, and was Buried at Calvary Cemetery, South Portland, Maine. (*Comment: There is an inconsistency here between her age at Death and her Father's age at Death as the information suggests she is older than her Father!!*. When she Emigrated to America in 1884, she was aged 22. This would make her 30 in 1892. This fact adds doubt that the above date of Death is correct.

- C.) {M164} **MARY ADLEY** born on the 10th April 1859, and baptised in 1859 at Carraroe RC Church. The 1884 Passenger List for the Emigration of this family does not include a Mary Adley, suggesting that she Died before the family Emigrated although there are numerous references to a Mary Adley in Portland, Maine.

The evidence that her Maiden name is Audley comes from the fact that her Brother {M40} John and Sister {M41} Margaret were living with her and her family. Whilst all the Official records regarding {M39} refer to her as Maria, the family called her Mariah.*)

She died in March 1974, (*Source: Family Information.*) (*Comment: It would appear that he Emigrated to America prior to 1900, as he is recorded in Kansas City Missouri in the 1900 US Federal Census, although no record has been identified of his travel or Immigration. It is suspected that he returned to Ireland arriving at Queenstown Ireland from New York on the 19th November 1902, aboard RMS Teutonic. It is also suspected that he returned to America arriving in New York on the 10th October 1903. In his entry papers to America it states that his final destination was Philadelphia, and he describes his contact there as a friend called Michael ????. (Source: Family Information, it is known he returned to Ireland in 1909.)*

She Died in The Central Hospital in Galway and her address is given as a Convent in Galway and formerly of Liss Headford. Unfortunately the Christian name and the name of the Convent are difficult to read. Equally there is the Birth of a Catherine Audley registered in Galway Registration District in Q3 in 1922. Of House 8, in Liss, Headford, Galway, in 1911. This return to Ireland could be the Bridget Audley, a Servant aged 24, {Born 1875/76} arrived in Queenstown, Ireland, on the 23rd November 1900, on board the "RMS Lucania" from New York, USA.) (Port of New York, Ellis Island Passenger Records notes her age as 19 years, which could mean Born 1875!>)* She married on the 6th July 1911 PETER FAHEY (Fahy) at the Roman Catholic Chapel of Headford and lived in Ireland. They had issue. *(Comment from Tom Audley:- {M43} Bridget, We have talked about her before. But some additional information I forgot I had: Family stories indicates she was 13 when she first emigrated to the USA to work as a servant for the family of a Physician. She had sailed from Queenstown, which is now called Cobb. She sent home money from her wages and paid for her younger Brother {M40} John, my Grandfather, and her Sister, {M41} Maggie to come. Bridget apparently made a trip home to Ireland in 1894 and again around 1900 or 1901.) (Further Comment from Tom Audley - I can confirm that Joseph Fahy (Fahy) Born on the 18th April 1913 is the Son of {M43}. FYI he Died in 1974)*

Family ME2 of Galway City

This family is referred to as 'of Galway City' because the earliest records such as the Marriage of {M156} John J Adley and Anne Flaherty indicate that they took place in the 'Galway Registration District', and some of their children for example {M159} John Francis Audley & {M160} Margaret Audley were Baptised at St Nicholas Combined RC Church in Galway City.

This family is always recorded with the surname Adley in America, with the exception of one record in the 1930 US Federal Census, where they are recorded with the surname Adlay. In Ireland prior to emigrating to America they're recorded with the surname Addley and Audley.

A large amount of information regarding Birth, Marriage and Death details in this family tree has been provided by members of the family, and has not been verified by the viewing of official documented records.

1931 Census of England

The 1931 Census of England was taken 26th April 1931 but was destroyed during WWII

1939 Register of England

The 1939 Register was created in 1939 for the issue of registration documents and ration books shortly after the commencement of World War 2. As they were produced after the start of the war they do not include people who were member of; conscripted into and volunteered for the Armed Services. Additionally After World War 2 these registers were used as the registration of people into the newly formed National Health Service. These registers were 'updated' by the National Health Service until 1991 when the National Health Service Registration was computerised.

The updates made under the National Health Service typically include; changes of surname by Marriage, corrections to Christian names (for example changing initials to full names) and recording the Deaths of individuals listed in the registers. No changes of address are recorded are the Births of new individuals are not recorded.

The records of individuals are either open or closed. Open records can be viewed by the public and Closed records cannot be viewed by the public. Records are open if one of the following conditions applies:

* The record is open if the person was born more than 100 years ago. This is the 100 year rule and means that progressively more records will be opened each year until they all become open in 2040.

* The record is open if the person is deceased and the person's Death is recorded in the registers. In theory this means that the record for anyone listed in the registers and Died before 1991 should be open. However not all deaths before 1991 were recorded in the registers, and people who were in the Armed Forces in 1939 are not listed in the registers.

Records that are not open are closed. However members of the public can make requests to the National Archive at Kew to open closed records. To do this they must be able to supply a copy of a Death Certificate and the National Archives must be able to relate this Death Certificate to a particular individual in the 1939 Registers. For example the Death Certificate has the address where the individual died and the 1939 Registers have the address where the individual was living in 1939 so not all requests may be successful

Note 1. The entry for Robt Adley is ambiguous as his first name is on the last line of the Furnish entry and his surname is on the first line of the Dinish Entry. I have included his name with the Dinish entry as that is consistent with the search results of the National Archives of Ireland.

Note 2. Part of this entry is difficult to decipher

Note 3. There is an entry below this one which for 'Denomination' states 'more of ditto' and under the names of Landholders 'Same' this suggests that the people under this entry had a second entry below.
