(Comments:

Whilst they did not have issue, they appear to have had their Niece living with them from being about 14 months old in 1851 to 1871 and in 1901 their Great Niece was living with them. It is therefore concluded that this branch of the Audley Family died out in 1905 as the great niece was blood relation to the Wife of {SB2} and not {SB2} Alfred Audley.

On his Marriage Certificate his Father is recorded as 'Wade Audley', and on his Baptism record his Father is recorded as William Audley; on his Father's Marriage record he is recorded as 'William Wade Audley').

{SB5} **DORINDA AUDLEY** (sic) She was Born on the 10th October 1821, and Baptised on the 7th November 1821, at St Pancras Old Church, her abode at the time of her Baptism is Johnson Street, St Pancras.

(Comment; There is some uncertainty of her name as the Parish Register is so Feint)

Appendix 1 Who are Diana Price, Maud M Rose and Alice Rose

The aim of this appendix is to identify:

- Who was Diana Price who was living with {SB2} Alfred Audley and his Wife Mary Ann Audley in the 1851, 1861 & 1871 Censuses of England and
- Who are Maud M Rose & Alice Rose who were living with {SB2} Alfred Audley and his Wife Mary Ann Audley in the 1901 Census of England.

Information

- 1.) The 1851, 1861 and 1871 Censuses all have Diana Price as having been born in Atherstone, Warwickshire, and probably in the period 1849 to 1850.
- 2.) Her Birth is registered as Dianna Price (*with two 'n's'*) Q1 in 1850 Dianna Price Mother's Maiden name Fisher Atherstone Vol 16 page 247. It should be noted in researching for the marriage record of {SB2} Alfred Audley in the GRO Indexes it was not possible to identify the birth surname of the Wife of {SB2} as there are two brides with the same forenames listed with the same in the GRO Index for the same volume and page number. One of these surnames is Fisher. As Diana Price is recorded in the Censuses as Niece in the censuses it can be concluded that the birth surname of the wife of {SB2} is Fisher.
- 3.) Diana Price married John Rose Q1 in 1876 at Greenwich Vol 1d Page 861. The Marriage took place on the 21st March 1876, at The Church of St John's in the Parish of St John, Deptford, Kent. Diana Price gives her Father's name as John Price a Confectioner and Alfred Audley signs as a witness. This information agrees with the Baptism details of Diana Price that took place on the 3rd February 1850, with Parents John Price a Baker and mother Ellen Price.
- 4.) Maud M Rose was aged 24 in the 1901 Census indicating that she would have been Born 1876 -1877. Her birth was registered Q1 in 1877 as Maud Mary Rose; Mother's Maiden name Price at Greenwich 1d 038. It is therefore highly probable that she was the daughter of the above Diana Price
- 5.) Alice Rose was aged 14 in the 1901 Census indicating that she would have been Born 1886-1778. Her birth was registered Q4 in 1886, Mother's Maiden name Price at Greenwich 1d 977. It is therefore highly probable that she was the daughter of the above Diana Price
- 6.) In the 1891 Census John Rose and Diana Rose née Price were living at 23 Bolden Street Deptford, Greenwich, (RG12/501/111/14), with three Daughters and one Son; Maud M Rose (*as above*) aged 14; Eleanor E Rose, aged 12; John A Rose aged 6, and Alice Rose aged 4 (*as above*). This Census return confirms that Maud Mary Rose and Alice Rose (*both above are the daughters of Diana Rose née Price.*)
- 7.) In the 1901 Census John Rose and Diana Rose née Price were living at 23 Bolden Street Deptford, Greenwich with one Daughter and one Son namely Eleanor E Rose aged 22, and John A Rose aged 16. Their other two Daughters were living at 126, Brookdale Road, Lewisham with Alfred Audley and his wife. These two addresses appear to be 2 miles apart.

Conclusion

Diana Price, Maud M Rose and Alice Rose, are blood relatives of Mary Ann Audley neé Fisher the Wife of {SA2} Alfred Audley, and do not have any direct connections to the Audley Surname other than through marriage.
