Introduction

Whilst this file is titled as “Un-Connected Audley’s of Birmingham and Surrounding Areas.” it is not an Audley Family narrative. It is a List of people references to the Audley surname from various official sources that have not as yet been linked to any of the documented Audley Families (**Referenced A to Z**) mainly of England and local geographical areas.

The purpose of this Unconnected Audley People narrative is to enable family history researcher’s to possibly identify whether or not the named Audley person could eventually belong to an established Audley Family.

This file contains essentially a list of unidentified people Born in England with the surname Audley (including spelling variants) and their Wives (including their Maiden Forename), some of those people emigrated or were Born and lived abroad, but the majority of those people that are recorded were living in England.

(The spelling of the AUDLEY surname appears to be flexible. The spelling mainly appears to be interchangeable with examples:- Adley, Addley, Aidley, Allday, Audly, Awdley, Awdly, Oddily & Odley and also with other ‘close’ name variant being spellings.)

Whilst this file is referred to it is not a true Audley Family. It is a List of references to the Audley surname from various records from Birmingham and the surrounding areas and elsewhere in England that have not as yet been linked to any of the documented Audley Families, and noted is a brief summary of the known published historic origins of Audley people living in Birmingham and the surrounding areas. There is a large number other remaining Audley people to the known published families who could possibly be small branches of the main Audley Family in Birmingham, or other families, which through transcription errors appear to have used the Audley Surname during part of their history.

*(Comment: FreeReg.org published the above Baptism record with the names of William AUDLEY and William CROSBIE as the person being Baptised. In other FreeBMD.org GRO Index records there are no 'Unconnected' Birth's for a William Audley seen registered at this time, nor a Marriage between a Father William AUDLEY and Mother Louisa CROSBIE. The only possibility might be the {UB123} baptism details are the result of a record error. With the Baptised {UB123} William Audley living in Newcastle under Lyme where. 'speculated {T2} being his Father', William Audley lived, but the Mother Louisa CROSBIE lived in 'Burslem'. There is another record that might be associated, noted here:-.
The Father's Occupation is recorded as an 'Auctioneer', suggest which opens the possibility to speculation it having been - {T2} William Audley (1827 - 1892)??, as the Father, and he didn't marry till August 1848.
There is also a GRO Index Birth probably {UB123}:- March 1847 CROSBIE William, Bedminster, Somerset. 11 87?)*

1999 Q3 Audley James Melanie J Ryan Solihull South 73 1042

{UB73} **Wendy E Audley**

2000 Q3 Audley Wendy E Robert J Atherton Northampton 670 150

(Comment: Electoral Rolls have a Wendy E Atherton living in Kettering in 2003 to 2005 and Born 1966 to 1968.

Also a Robert J Atherton was living at the same address he was Born in 1972-1974

There is no Wendy Audley Born in the period 1966 to 1968 or at earlier period in time therefore presume she must have previously married an Audley

However there is the Birth of a Guy Alfred Atherton being Born in March 2003 in Kettering, mother Audley, suggesting that Wendy was Born an Audley

There is no evidence of a Wendy E marrying an Audley but there is a Wendy Pratt marrying {US76} Anthony Audley Q3 in 1983. So if Wendy Pratt married in 1983 was {UB73} she would have been 15 to 17 years of age at the time of her Marriage, which is unlikely. There also appear to be no children from the Audley Pratt Marriage.)

1887 Audley Albert E P Death At Sea

Deaths

There are the following references to the Burials of Audley's with the forename 'Mark' that have not as yet been linked to **Family 14 in Audley of Birmingham Family B** as follows:

- **Mark Audley.** Date of Burial on the 6th April 1794, at St Martin's, Birmingham, Warwickshire,
- **Mark Audley.** Date of Burial on the 25th October 1804, at St Philips, Birmingham, Warwickshire,
- **Mark Anthony Audley,** Date of Burial on the 21st July 1833, Aged 48, at St Phillips, Birmingham.
(Sources: *findmypast.co.uk* .) (National Burial Index)

The following section discusses who the above Burials could be related to:

Mark Audley. Date of Burial on the 6th April 1794, at St Martin, Birmingham, Warwickshire

- The above Burial cannot be any of the people listed above as they were all living after 1794

Mark Audley. Date of Burial on the 25th October 1804, at St Philips, Birmingham, Warwickshire,

- Of the above people this Burial could only possibly be {B76} as all the rest were living after 1802
- There is no evidence to indicate that {B76} had a Son with the name of 'Mark', their other children were Christened in Walsall, Staffordshire.

Mark Anthony Audley. Date of Burial on the 21st July 1833, Aged 48, at St Philips, Birmingham,

- This person would have been born 1784 to 1785
- This Burial could not be of {B76} as if it was {B76} he would only have been 8 years old at the time of his 1st Marriage in 1792.
- This Burial could be that of {B50} although there no indication that {B50} had a second forename of Anthony
- It is significant that {B88} was also called Mark Anthony.
Although {B88} is only referred to as ' Mark Anthony' in his Christening record.

There is also an unconnected Death of {UB76} Jane Audley Q4 in 1842 aged 45 at Birmingham.

(See DEATHS from the GRO Index). If she was the Wife of the above Mark Anthony Audley she would have been 12 years younger than him. Also this Jane Audley has not been identified in the 1841 Census of England.
