## Introduction

Whilst this file is titled as “Un-Connected Audley’s of England” it is not an Audley Family narrative. It is a List of people references to the Audley surname or a derivative of from various official sources that have not as yet been linked to any of the documented Audley Families (**Referenced A to Z**) mainly of England and local geographical areas.

This file contains essentially a list of unidentified people Born in England with the surname Audley (including spelling variants) and their Wives (including their Maiden Forename), some of those people emigrated or were Born and lived abroad, but the majority of those people that are recorded were living in England.

The purpose of this Unconnected Audley’s of Dorset and surrounding areas file is a List of references to act as a ‘holding file’ until the individuals in this file can be connected to any of the documented ‘Audley Families’ or sufficient information has been identified to create a new ‘Audley Family’.

*(The spelling of the AUDLEY surname appears to be flexible. The spelling mainly appears to be interchangeable with examples:- Adley, Addley, Aidley, Allday, Audly, Awdley, Awdly, Audsley, Oddily & Odley and also with other ‘close’ name variant being spellings.)*

Whilst this file is referred to it is not a true Audley Family. It is a List of references to the Audley surname from various records from Dorset and the surrounding areas and elsewhere in England that have not as yet been linked to any of the documented Audley Families, and noted is a brief summary of the known published historic origins of Audley people living in Dorset and the surrounding areas. There is a large number other remaining Audley people to the known

published families who could possibly be small branches of the main Audley Family in Dorset, or other families, which through transcription errors appear to have used the Audley Surname during part of their history.

This family history record is based mainly in the Village of Corfe Castle, Dorset, from around 1800, and some remain there to the present day. From this initial location some moved to other areas of Dorset such as Dorchester, Frome, Vauchurch, Poole, Child Okeford, Lytchett Minster, Langton Matravers, Swanage and Worth Matravers. Others moved to other areas of England such as Camberwell, Hammersmith, Holborn, Lambeth and Westminster, in London; Calne in Wiltshire; Aldbury and Croydon in Surrey; Haywards Heath in Sussex; Seaforth and Liverpool in Lancashire; Exeter in Devon; Bournemouth; Romsey & Stockbridge, Gosport and Highworth in Hampshire; Willesden in Middlesex; Bedford in Bedfordshire; Scunthorpe in Lincolnshire; Chesterfield and Derby in Derbyshire; Mansfield in Nottinghamshire; Malvern in Worcestershire.

### 1901 Census of England

{UD94} **Nelly Audley** Swan Street, St Decuman's Church, Watchet, Somerset 1873 - Assistant  
*(Comment: Closer inspection of an image of the 1901 Census of England reveals that her Surname is Studley, even though it is transcribed Audley and she gives her place of Birth as Uffcalme, Devon. Checking the Parish Register indicated that an Ellen Eliza Studley was Baptised on the 28<sup>th</sup> June 1872. It is therefore concluded she is really Nelly Studley in the 1901 Census.)*

### **{UD3} HENRY AUDLEY**

Record of the admission of Henry Audley as an Honorary Burgess of Southampton in the volume reference SC3/1/1 f. 124v: 'Awdeley, Henry Esquire, Admitted free on 17th January Elizabeth I, 1597'

(Comment: This is particularly interesting as on the seals page of the websites, page seals post 1405, there is the image of this Henry Audley's seal from the Hampshire record office. Also on the Audley places in Hampshire, there is a plaque commemorating his burial in Fawley Church. *(Comment: We have this person tagged as {T96} in the 'Audley Family T' of Nantwich\_Sandbach\_Newcastle under Lyme\_Ardwick file.* Interestingly A. L. Reade says of this person on page 201 of Audley Pedigrees 'As regards to Henry Audley of Henleigh, co. Southampton, esq who leased the property at Audley to Thomas Tuchet alias Audley on 1578.)

A number of our early records have been transcribed and indexed in the Southampton Records Society and Southampton Records Series publications. We looked through those which cover the period around the 1590s but were unable to find any specific references to Audley. There were a few references to a Southampton man named Hercules Audley, who was licensed to keep an Ale House, and who appears in our Court Leet records in regards to a garden near the town walls (1602). There is also a mention in the Mayors book of Fines 1572-1594 regarding a fine of 2 pounds 'Received of Mr Awdleys man for 'ladeing' of wine for his Masters house on Whitson Monday' (May 1589). This could be Hercules Audley – but Mr Audley's man might suggest that it refers to someone with more standing!
