Introduction

Whilst this file is titled as “Unconnected Audley’s of Eastern Counties of England including London and surrounding areas of England” it is not typical Audley Family narrative. It is a List of people with the Audley surname or a derivative of from various official sources that have not as yet been linked to any of the documented Audley Families (**Referenced A to Z**) mainly of England and local geographical areas.

This file contains a number of Birth, Marriage and Death records from various sources of people with the Audley surname, and also records the information contained in the General Register Office’s (GRO) Indexes, and also other official sourced records. Where additional information has been identified that has been included under the relevant entry. All these GRO Index records have been recorded in the Eastern Counties of England.

The purpose of this ‘Unconnected Audley’s of Eastern Counties including London and surrounding areas file is a List of references to act as a ‘holding file’ until the individuals in this file can be connected to any of the documented ‘Audley Families’ or sufficient information has been identified to create a new ‘Audley Family’.

‘Audley Family UE’ – Unconnected Audley’s of Eastern Counties of England is associated with developed Audley Families narratives of those that originated within this general Geographical Area to include:

‘Audley Family N’ of Norfolk, England

‘Audley Family NA’ of North Norfolk

‘Audley Family NB’ of Welbourn Grantham and Upwell

‘Audley Family QB’ of Bedfordshire, England

‘Audley Family QE’ of Essex, England

‘Audley Family QF’ of Sible Hedingham Essex

‘Audley Family QH’ of Huntingdonshire, England

‘Audley Family SA’ of Hackney, & Islington, England

‘Audley Family SB’ of Brighton & East End of London

‘Audley Family SC’ of London England,

Scope of this file

This file contains information about the following counties/ areas but at this time, this list is not complete:

- Norfolk --- 197 references (*These references have been duplicated in part and Appendix1 to see if it is possible to create a tree from these references*). It is not possible to create a tree from this information as there are Marriages and no Births or Baptisms.
- Cambridgeshire -----16 references

(The spelling of the AUDLEY surname appears to be flexible. The spelling mainly appears to be interchangeable with examples:- Adley, Addley, Aidley, Allday, Audly, Awdley, Awdly. Oddily & Odley and also with other ‘close’ name variant being Spellings.)
