derivative of from various official sources that have not as yet been linked to any of the documented Audley Families (**Referenced A to Z**) mainly of England and local geographical areas.

This file contains a number of Birth, Marriage and Death records from various sources of people with the Audley surname, and also records the information contained in the General Register Office's (GRO) Indexes, and also other official sourced records. Where additional information has been identified that has been included under the relevant entry. All these GRO Index records have been recorded in the Eastern Counties of England.

The purpose of this 'Unconnected Audley's of Eastern Southern Counties including surrounding areas file is a List of references to act as a 'holding file' until the individuals in this file can be connected to any of the documented 'Audley Families' or sufficient information has been identified to create a new 'Audley Family'.

*(The spelling of the AUDLEY surname appears to be flexible. The spelling mainly appears to be interchangeable with examples:- Adley, Addley, Aidley, Allday, Audly, Awdley, Awdly, Oddily & Odley and also with other 'close' name variant being spellings.)*

(Comment:

*FreeReg.org transcribed/published the above Parish Register record, but so far no other official record found to support a Birth for Thomas F O Audley.)*

However, FreeBMD GRO Index notes this Birth record:

**Births Sep 1908** (>99%) **Thomas Frederick O Medley** Dartford 2a 687) (Could {US38} be him?)

Additional Comment:

**Marriages Dec 1907** (>99%)

MEDLEY	Ernest Richard	Dartford	2a	1123
--------	----------------	----------	----	------

SAXBY	Ethel Ellen	Dartford	2a	1123
-------	-------------	----------	----	------

(As this was the only Marriage of a 'Medley' in Dartford prior to 1908, could they have been Thomas's parents??)

{US44} **MAJOR (Lewes) LEWIS AUDLEY M.P.**

(This person is recorded on page 47 of Audley Pedigrees (Chapter 2))

However, he appears to have lived in Sanderstead in Surrey and there are various entries in the Sanderstead Parish Registers, (which are available on Ancestry), including his **marriage** on 9th December 1647 to **Mary Hawtreay**. During the First Civil War (1642 – 1646) Lewis Audley was the Scout Master General to Sir William Waller's Parliamentary Army and in 1648 helped put down the Earl of Holland's Uprising in Surrey. In 1650 he was commissioned to raise a troop of horse for service in Scotland and in 1656 he was elected to Parliament. Among MPs in the next Parliament was Lewis Audley. B.A. from King's 1637-8; M.A. 1641. Ordained Deacon in 1641, he had later been an army officer under Sir Thomas Fairfax and participated as a radical agitator in the Putney debates. In 1656 – now a (still radical) Surrey gentleman – he encountered no visible obstacle to taking his seat, in the first session alone receiving 31 committee appointments and acting twice as a teller.

There are various references to him on the British History online website, <https://www.british-history.ac.uk>. If you click on the link <https://www.british-history.ac.uk/search?query=lewis%20audley&title>

= this should give you 710 'hits' although not all relate to Lewis Audley. He is also mentioned along with a Captain Thomas Audley mentioned on page 154 of the book Turncoats and Renegadoes: Changing Sides During the English Civil Wars by Andrew Hopper QC.
