Audley Family History

Compiled for www.audleyfamilyhistory.com

Audley Family Index

This Index contains essentially a list of identified people Born in England with the surname **Audley** (*including spelling variants*) and their Wives (*including their Maiden Forename*), some of them emigrated or were Born and lived abroad in Ireland, America, Australia, and Canada. The majority of those people that are recorded were living in England and in the Census years from 1841 onwards are listed in some of the Audley families' narratives. They are described in the family tree pages of: www.audleyfamilyhistory.com.

The 'NAME' column contains many noted only as a 'MALE' **Audley** & 'FEMALE' **Audley** entry and also noted in the Born, Married & Died columns with '????', this denotes the existence of an **Audley/Aidley** person, and who mainly for 'Privacy' reasons their exact details have been withheld, or their details are not known due to non-identification in Official Records. Also where known, the Married name of a **Female Audley** has been shown in the last column through their Husband's family name.

(Indexed sometimes in Marriage column is the reference term "DNM", this denotes named person "Did Not Marry")

The purpose of this Audley Family Index is to enable family history researchers to identify to which **Audley** family they and their research interest person might belong to in the published narratives..

This Index does not contain records for the published Audley Family Narratives of:

Family "AW" *George Woodhead alias Audley of Sheffield and Liverpool*

Family "HC" *(Audley – Charles Family), a branch of the Audley Family.*

Unconnected Audley Individuals – Comprising of Families:-

"UB" *Audley's of Birmingham Area*

"UC" *'Audley's of London and North of Thames*

"UD" *Audley's of Dorset Area*

"UE" *Audley's of Eastern Counties of England Inc London*

"UI" *Audley's of Ireland*

"UL" *Audley's of Liverpool Area*

"UM" *Audley's of Eastern Counties of Middle England* **"UN"** *Audley's of North Eastern England*

"US" *Audley's of South East England*

Family "W" *This narrative is solely about a John Odlin (Audley) in 1630's via Winthrop Fleet to America.*

Family "YK" *An 'Audsley' Family of England that became known as 'Audley' in Australia.*

(The spelling of the AUDLEY surname appears to be flexible; it mainly appears to be interchangeable with Adley, Addley, Aidley, Allday, Audly, Audsley, Awdley, Awdly, Oddily & Odley and also with other 'close' name variant spellings. Dependent on how the name was spelt when recorded, is important to bear in mind when researching a person.)
