| 11h August 2021 | Updated as Family U re-tagged as Family B |

This index is based in the General Register Office index and shows for each Registration District:

- Which branches of the Audley Family had either a birth or a marriage or a death registered in that district
- Whether that registration district has either births, or marriages, or deaths that have not as yet been allocated to a branch of the Audley Family.

It should be noted that the information in the table below has been taken from the FreeBMD website in which the GRO BMD indexes have not as yet been fully transcribed.

If you have a Birth, Marriage or Death certificate for somebody with the surname Audley, the table below should help you identify to which branch of the Audley Family they are likely to be part.

It should be noted that the registration districts are not in alphabetical order.
