BURKE'S PEERAGE AND BARONETAGE

1851 & 1970 Editions

The tables below compares the information contained in the 1851 and 1970 Issues of Burke's Peerage.

The 1851 Issue is the 13th Edition and the 1970 Issue is the 106th edition. (Believe that the 106th edition was the last printed edition that contained information about the Audley Family and the 13th edition was the earliest edition I could find in the local library).
